Summer Happenings

The Camp has had a very busy, yet wonderful summer camp season, and we are excited to head into the fall season. Over the course of the summer, the Camp hosted seventeen groups, including the July Family Camp, and SonRise Camp. Camp staff are working hard to prepare for the final few months of the Camp season, and 2025.

Did you know that the Camp hosts groups from January through to November, with an average of 60-65 groups per year? The ministry that takes throughout the camp season is incredible with 135 water baptisms taking place, so far in 2025.

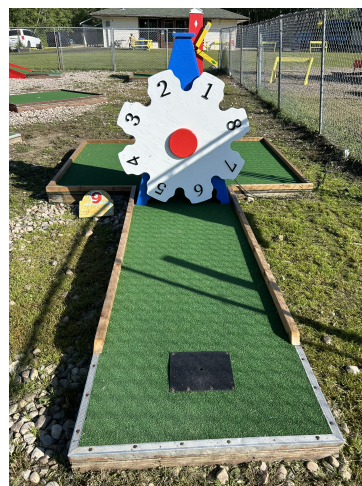

The "slower" months of December to March, provide an opportunity for camp staff to do a deep clean of the Christian Center, Elim Lodge, and the other facilities. This is done annually, and gives us an opportunity to give each building a refresh.

As the Camp continues to grow and thrive, Camp staff continue to work hard to make necessary repairs and upgrades to serve you better. This includes, repairs to the water and boiler systems, repairs and maintenance on essential kitchen equipment and camp equipment, and the electrical upgrades that are currently underway.

One more significant upgrade that is taking place is in the Putt Putt Mini Golf Park. While we recognize that people are missing this amenity, it was necessary to close the park to complete essential repairs and maintenance. The remainder of the repairs are expected to take place over the fall and into the winter. This includes shed repairs, siding and new signage.

The re-opening is expected to take place during the Spring of 2026. Thank you to everyone for your patience, while the upgrades are taking place. The Camp would also like to extend a huge thank you to the volunteers who have undertaken to oversee and do the essential repairs on this project, and for the donations that have been received towards this work.

Please see several pictures below of some of the upgrades already underway.

Building a Legacy of Faith

Sunset Point Christian Camp invites you to partner with us in making a difference in the lives of those individuals who will visit the Camp each year. Your financial support today is an investment in your children, grand children, and tomorrow's leaders, spreading the love and teachings of Christ far and wide.

Recently, a group shared that one of their attendees, a young man, had contemplated taking his own life, a month before being asked to come to Camp. He attended Camp in August,

connected with many other youth, found a sense of belonging and a community of faith. Most importantly he had an experience with God that left him excited and positive about his future.

This is just one of the many stories we hear about lives being changed and transformed at the Camp. Would you consider becoming a monthly donor where you are investing in a brighter future for the next generation of believers? Join us in securing the future of Sunset Point Christian Camp, where every gift, plays a vital role in the long-term mission of transformation and impact.

Thank you for your ongoing support and for being a key part of this incredible journey.

Goodbye Summer Students

The Camp would like to extend our sincere thanks to the three summer students of 2025. Mason Jones, Bianca Slanzi, and Mia Slanzi did a fantastic job in each of their respective roles, and were so willing to help in any areas that needed support. We pray that God would continue to lead, direct, and bless their paths as they continue in their studies.
