GENERAL CAMP RULES

Recognizing that camp facilities are a shared resource for the purposes of Christian worship and community, the following governs the behavior of all camp users. Individuals who violate these expectations may be denied access to the camp's grounds and facilities:

1. Quiet time is from midnight until 7 AM. Recognizing the close proximity of cabins, tents and RV's noise is to be kept to an absolute minimum during these hours.
2. The camp does not provide first aid services, lifeguards or supervision. Supervision is the responsibility of individual users and/or rental group organizers.
3. Trailers, campers and RVs may only be used in approved stalls and must register with the camp office. They may not be placed next to cabins, in fields or in general parking areas.
4. Pets must be on a leash and owners must clean up after them.
5. Garbage must be placed in designated containers. Camp garbage receptacles are not to be used for construction waste, furniture/large items, grass clippings, leaves, weeds and yard waste.
6. Fires must be in approved fire pits and may not be left unattended. Fire bans must be observed.
7. Access to camp owned buildings is restricted to authorized rental groups.
8. For swimmer safety boaters are to restrict operation close to the beach, proceeding slowly to/from their dock and avoiding the swimming area in front of Elim lodge.
9. All motorized vehicles, including ATVs must observe the speed limit of 15 km/hour.
10. ATV use is restricted to cabin owners and annual RV leaseholders. They are responsible for the safe operation, insurance, compliance with legislation and observing manufacturer recommendations. ATV use in the RV park is restricted to transit to/from the owner's lot. ATV use is not permitted anywhere on the grounds during the annual Family Camp.
11. Fireworks require permits and a licensed operator according to municipal regulations.
12. The use of firearms, air guns and the like is prohibited on camp property.
13. Smoking and vaping is not permitted anywhere on the camp property, including cabins and RVs. Designated smoking areas are located adjacent to the camp property.
14. Alcohol may not be consumed in any public area of the camp, any camp owned building or structure, rental RV\Tent sites or any shared space.
15. No individual may be intoxicated on the camp grounds at any time.
16. Working on Sundays is not permitted.
17. No activities may take place anywhere on the camp grounds that would contravene the Statement of Fundamental and Essential Truths of the Pentecostal Assemblies of Canada.
