What Happens At Relay?

Survivors Lap

Relay starts with a Survivors Lap – an inspirational time when survivors are invited to circle the track together and help everyone celebrate the victories we've achieved over cancer. We also recognize and celebrate caregivers at Relay For Life. These individuals give their time, love, and support to friends, family, neighbors, and coworkers who face cancer.

Luminaria Ceremony

After dark, we honor people who have been touched by cancer, and remember loved ones lost to the disease during the Luminaria Ceremony. Candles are lit inside bags filled with sand, each one bearing the name of a person touched by cancer, and participants often walk a lap in silence.

Individual Walking continues throughout the evening with Family Games, Activities, and Entertainment.

Why We Relay

Everyone's reason to Relay is as unique as their own personal story.

At Relay, you can find healing, comfort, and support from others who have faced cancer or who have lost a loved one to the disease. You have a chance to meet people in our community who are equally as passionate about finding an end to cancer in our lifetime.
