

STUDENT CAMP – SCHOLARSHIP APPLICATION

FBCC STUDENT MINISTRY

As a faith family, we know that the full cost of STUDENT CAMP can be a hurdle for families. Through our scholarship fund, we desire to help as many students as possible attend STUDENT CAMP this year. Scholarships are made possible by people within our faith family that desire our students to have a life-changing time this particular week.

Here are some guidelines for receiving a scholarship for STUDENT CAMP:

1. This application must be signed and turned into the FBCC office or emailed to david.baysinger@fbccorinth.org
2. Scholarships may be requested for any amount, but not to include the deposit amount.
3. Scholarships will be granted according to the availability of funds and basis of need.
4. The student camp deposit of \$50 must be paid in order to be considered for a scholarship. Deposit can and will be returned if scholarship cannot be granted.
5. The student camp registration must be submitted for scholarship to be considered.

Please fill out the needed information below and return this form when you register for camp. **ALL scholarship requests are kept confidential.** Each application will be reviewed by the student ministry staff and scholarship will be granted as funds are available and needs arise.
