Easter Egg Hunts

Easter is coming! Each classroom will have an egg hunt on the day of their party. If you would like to plan ahead while there are lots of eggs available in the store, we are asking each child to bring in a dozen filled eggs for their hunt. The eggs can be filled with candy, stickers, or snacks. Please do not send things that may melt in warm weather. Please go ahead and start sending them in so you don't forget! Please look for more information coming home from your child's teacher with details related to their class party and egg hunt!

Superhero Day

Who's ready for Superhero Day, Thursday April 25th! Get excited and be ready to rescue a fellow friend, fight the enemy, and come up on top with God's love! We will have games and activities related to all our favorite superheroes, but will also be talking about our real superhero, GOD. We will be talking about the Armour of God and how when we are equipped with God's love and help others we are real life superheroes. Kids will be allowed to dress like a super hero this day! Please do not send in accessories!

Dress Code

Parents as our weather has begun to warm, we have noticed lots of sandals and flip flops walking into our building! As I know these are adorable and so practical, they are not appropriate for all the playing we do at school. Please remember that we require shoes to be closed toed and have a back! We prefer tennis shoes as these allow our friends to play with no worry!

Teacher Appreciation Help

I have already planned some activities for the week of Teacher Appreciation, but if you would like to help in any way with showing our Teachers just how special they are, please let me know! I can use all the help I can get. I know some of my parents have some fabulous ideas and I would love to hear them. We will send out a sign up genius as we get closer to the dates. Teacher Appreciation is planned for May 6-9th!

Mother's Tea

We will be doing our Annual Mother's Day Tea on Thursday May 9th. This year all children will participate at 9:15am in the gym. We are excited to share a breakfast treat with you. The children are eager to spoil their mommies!

Chapel

This month we will be going over some of our favorite stories from the Bible and doing lots of singing! To tie into our superhero day we will also be learning about the Armour of God and how we can win the battle with God's Armour.

End of the Year Program

We are preparing for the end the year with a special celebration of some of our favorite songs and activities that we have done in Chapel this year. I cannot believe how fast this year has flown by and I am excited to share with you some of you children's favorites. All children enjoy feeling a sense of community and our chapel time is no different. We spend our morning time learning, laughing, singing, and praying together. We will be "showing off" May 23rd at 9:15AM. Please join us to see some of what your child has learned.
