

MARCH

Faith School Beat

Mardi Gras Parade

From fun masks to beads and candy, get ready for a parade of fun as we celebrate Mardi Gras. The kids will spend the week making masks and decorating bags and then will join in walking and watching the parade as all age groups participate. After the

parade treats are in order. Each class will have a king cake to celebrate! Who will find the baby in each class?

Spring Pictures

We will be doing our spring pictures March 19th-21st. We will be photographing spring pictures as well as class pictures. If your child is graduating and moving on to Kindergarten this next school year we will also be doing Graduation pictures in cap and gowns. All of the pictures will be taken outside! Packages as well as a la carte items will be available for purchase. You will be able to view an online gallery and order your prints from there! More information will be coming home next week.

From the Office

Parents please make sure you are dressing your child for the weather and sending a jacket when it's cold as we still utilize the outside as long as it is over 45 degrees. Also if you are in a toddler or 2's class please make sure your child is using the provided tote bag for their stuff. These make transitions to the car line and into the building so much easier for us!

Survey Feedback

Thank you to those parents who filled out our digital survey in January. We are using your feedback to enhance our program for next year. We want you all to know that you are important to the success of our school; we always welcome comments and suggestions and want you to feel at home just as much as your children do!

2019-2020 Registration

Public registration has begun and I am excited to say that Faith School is almost full for the 2018-2019 school year! Thank you to all of the parents that have shared their experiences with Faith School with your friends and neighbors! We fill the school each year with just word of mouth advertising and this is amazing that our program is growing so much! We only have a few spots remaining in our toddler, 2's 2 day class and bridge class.

Chapel

This month we will be focusing on God's Love for Us. We will spend two weeks talking about this and will then focus on the Lord's Prayer and what those words we say mean. I'm excited to spend this month doing some new lessons we haven't done before during Chapel!
