We are also in need of Soda Bottles for the Ring Toss game. Please start bringing in full bottles now! We will also need candy for our Trick or Treat Trail!

Pumpkin Pictures

The pumpkin patch is sadly not returning this year. The church will have a set up for the harvest festival and we will utilize this backdrop this year. We will be taking candid pictures of your little pumpkins on October 23rd and 24th. We will email out a schedule of classes for each day.

Safety

Our car rider line is doing awesome and children are being unloaded and brought in to the school at a much faster rate this year which we are excited about! In the afternoon if you chose to come in to pick up your child please remember to arrive between 1:30-1:40pm. If you arrive after this time you will have to get in the car line or wait until after the line to grab your child. Also please remain in your vehicle in the car line. Once your child is in your car, you can pull into a spot and buckle in your child. This will help our car line move efficiently! Please also remember that our parking lot and school are a cell phone free area. Your children want to tell you all about their day and need your undivided attention at drop off and pick up.

Chapel

This month we will be talking about Noah and his Ark, Joseph and his colorful robe, baby Moses in the basket and the red sea. Chapel time is a great time with lots of interaction and help from the children. Ask you children what they learned in chapel each week! Children are chosen to participate in various elements of our chapel time. We are exploring stories in detail and talking about what it must have been like, how it smelled maybe how it tasted and even have talked about how we would have felt if we were there. The most important item discussed each time is that God and Jesus love us no matter what!

Our Playground is Two!

Please make sure that you are sending your child in comfortable close toed shoes. Please limit the use of crocs as these tend to cause lots of tripping in small children. Since we have lots of new faces we wanted to extend the chance to leave a legacy by buying a brick to support our school. We still have bricks available for purchase for our playground entrance.

From the Office

Please remember to have a change of clothes in your child's bag no matter what age they are. From time to time there will be spills or accidents and children are happier when they can change into clean clothes. If you have had extra clothes sent home on your child from the school, please remember to return them. If the clothes are not returned there will be a \$5 fee billed for each piece of clothing.
