Helping our community embrace the life-restoring grace of Jesus by:

- Meeting people where they are (Go)
- Creating space for relationship (Listen)
- Helping where needs arise (Serve)
- Speaking about Christ (Share)

Ways we envision serving our community in and through Restoration Church:

Introducing people in our community to the love of Jesus Christ and help them embrace his life-restoring grace

Providing a way for people in our community to connect with others and find new friends

Sharing our space with our community as a meeting place for formal and informal gatherings

Providing a safe place for youth (middle school and high school students) to gather, be known, make friends and experience God's love

Hosting seminars and classes to provide help in all kinds of areas such as financial management, relationships, grief support, addictions and more

Forming teams to go out into our community to serve those in need

OUR MINISTRY TEAMS:

Missions

We aim to BE THE CHURCH, which simply means we live in love and service to God as we get involved where we are planted. It takes great people working together to see our church make an impact in the world around us.

Worship

A community of artists and techs on a mission to make things that point people to the truth of the gospel.

Discipleship

We offer an assortment of opportunities for you to meet people, grow, and equip yourself to live a life that is well-pleasing to the Lord.

Youth

Our middle and high school programs meet students where they are and challenge them to step into God's story for their lives.

Children

We invite every child into an understanding of how to grow in a relationship with Jesus, explore the Bible, and we emphasize relationships with God and others.
