CHANGED LIVES THROUGH RESTORATION CHURCH

Submitted by: Al Burton

Today, a day I won't soon forget. After picking up a former coworker, who is 95 years of age & can no longer drive due to vision problems, we ventured out to visit our friends who are 93 years of age.

I worked with Bill for many years. He has had both legs amputated & his wife is paralyzed and unable to use her legs. They are both in wheelchairs & require 24-hour care. They wonder how long they can continue paying the extraordinary costs for their care.

Such good friends with such a story, I was heartbroken. The one question they had was, why are we still here. I think they are living for each other. I had to remind them that God has a plan which we often don't understand. I had to share Paul's letter of hope, love, faithfulness, & the reward we all seek as our earthly journey is complete. We are reminded to be thankful in all things.

When I left, my emotions took over and prayers were in order. May God be praised.

If you would like to share your story, email your submission of 250 words or less to Godstories@restorationrva.org

CARITAS Service Opportunity

New Hanover Presbyterian has 8-10 families who will live with them from 6/23-6/30, somewhat unexpectedly as another church wasn't able to fulfill their commitment. CARITAS could use our help in providing for these families by providing supplies, meals, and other services.

If you want to give your time or stuff, sign up [here](#).

If you can't be there in person but want to help with purchasing supplies, click [here](#).
