

Easter at Southside

We will help Southside Baptist church in Covington with their Easter outreach for the community on April 20. More details to come, but this is a chance to serve the children in the area by hiding Easter eggs, helping with games, and such.

Spring

Finally, we have some warmer weather, and I am looking forward to Spring! Ok, maybe not allergies, pollen, and lawncare, but baseball, cookouts, and, of course, roller coasters! I love the Spring as it reminds us of new life coming forth, just as we as Christians enjoy through our Lord Jesus!
