

# Mothers

As we reflect on our mothers, what memories come to mind? Has your mother fixed you breakfast each morning before school? Washed your clothes each week? Driven you to events each week?

Take this day to reflect on the work mothers do to make our families and our lives better. And be sure to say, "Thank you, mom" when you see her.

## Prayer Challenge

As the search team continues the task, remember to pray each day that God's wisdom and leading helps locate the next student pastor.
