

Welcome 2019!

A new year will bring new relationships, new friends, new challenges, and new growth. Whatever happens in 2019, rest assured that nothing will catch Jesus off guard. God knows the plans He has for you, wherever that leads. And don't forget, greater is He Who is within you than he who is in the world!

Today's Middle School Lesson:

The Lord's Prayer

The disciples watched and learned in the presence of Jesus. On one occasion, He gave a lesson on how to pray. In our current series, we examine how Jesus taught his followers to pray, and how we can apply those principles in our own lives today!

Matthew 6:9-13

Today's High School Lesson:

The Attributes of God

How would you describe God? In our current series, we examine different attributes of God which allow us to see Him from different perspectives and build our faith as we learn many ways God has been understood through history!
