Water Softening

E3 Series

EFFICIENT, ELECTRONIC, ENGINEERED

E³

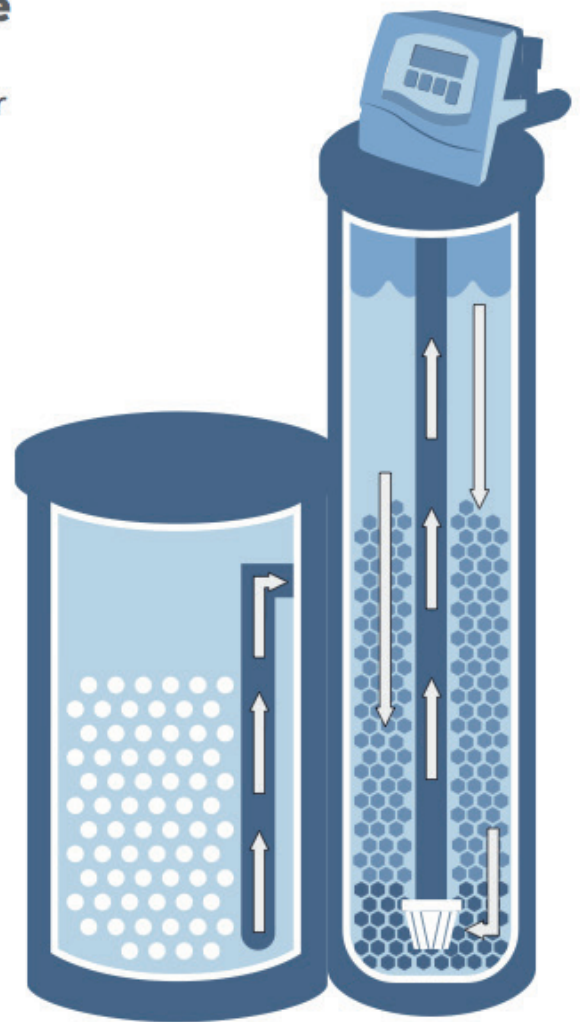

Essential Water Softening for your Home

Efficient and electronic, the E3 is the perfect place to start when reducing the effects of hard water on your home, your family and appliances.

Benefits of E3 Series Water Softening

-  Extends the life of your water-based appliances
-  No more spotty dishes
-  Makes clothing, whiter, brighter and less scratchy
-  Protect pipes and plumbing fixtures
-  Cleaner fixtures, stain-free sinks, tubs and showers
-  Save up to 70% on soap and water usage from hard water removal
