

Roast Beef Panini

(simple, yet divine!)

Ingredients:

- *DaBecca Seasoned Roast Beef, 1 pkg
- *4 Slices of your favorite Italian Bread
- *2 Slices of Havarti Cheese
- *Mayo, we prefer the Olive Oil Based Mayo

Directions:

Lightly spread Mayo on all four pieces of bread.
Place desired amount of DaBecca Seasoned Roast Beef
(we love this Roast Beef, so we pile it on high) on 2 slices of bread.
Top with Havarti Cheese.
Place remaining pieces of bread on top of the cheese.

Heat your Panini grill or skillet to medium heat.
Either spray the grill/skillet with cooking spray
or lightly coat the outside of the Italian Bread with butter.
Heat until bread browns and cheese is melted
(approximately 3 minutes per side using a skillet).

Enjoy!
