Checking Children In & Out

The Park Church provides easy to use express check in counters that allow parents and guardians to remand their child into our care and produces accurate class rosters. In the event of an emergency, these rosters help us to know the exact names and numbers in each class and also assures that children leave with the appropriate person. Parents and Guardians are asked to check their child in and out whenever they are placed in our care. Should someone different than the individual who checked a child in be checking them out, we need to be notified.

COVID-19 Precautions and Special Instructions

The Park Church will be taking the necessary precautions to minimize the risk of contact and/or transmission of COVID-19 on the premises.

- The Park Church will be complying with the AB Health Guidelines regarding Worship Services, specifically Day Camps.
- Please complete a daily personal health assessment. If you or your child are experiencing any cold or flu like symptoms, please do not enter the building and attend the applicable program.
- Enter the Park Church through Door #1 (*This limits the Wee College and AWANA children to the West Wing of the building*).
- Utilize hand sanitizer upon entering the building.
- Proceed to the Check-In Station using the marked floor route. (*If you do not already have one, upon registering for the program you will be sent a bar code to your email for your personal cellular device. This enables us to provide a hands free approach.*)
- Follow the applicable floor marking to the designated classroom. The classroom group will now be considered a cohort.
- Every effort to socially distance will be made. This includes space between work stations etc.
- Shared surfaces will be limited and each child will have their own craft supplies and materials.
- Food will not be served unless it is individually packaged.
- All participants will wear face masks. The Park Church sees this as an acceptable precaution to ensure the safety of all participants. Some teachers have requested face shields as an alternative to masks so that the children can see their faces and expressions. We have permitted them to do so.

COVID-19 has caused a disruption to all of society including ministry. However, we see these safety precautions as a small price to pay so that we may continue to make disciples and share the love of God with the children in our community.
