~ REFLECTION ~

Mark's Gospel begins by introducing us to John the Baptist, who prepared the way to Jesus by calling people to acknowledge their sins and receive a baptism of repentance. Are we prepared to welcome Jesus into the world? To do so properly, we need to acknowledge our sins and receive forgiveness for the wrong we have done. As we celebrate today's liturgy, let us keep in mind our failings and resolve to keep Jesus in our minds and hearts as we interact with others.

~ REFLEXION ~

Marcos comienza su Evangelio presentándonos a Juan el Bautista, que le preparó el camino a Jesús al pedirles a las personas que reconocieran su pecado y recibieran el bautismo del arrepentimiento. ¿Estamos preparados para recibir a Jesús en el mundo? Para hacer esto debidamente necesitamos reconocer nuestros pecados y recibir el perdón por el mal que hemos hecho. Recordemos en esta liturgia de hoy nuestras fallas y resolvamos mantener a Jesús en nuestra mente y en nuestro corazón en todas nuestras interacciones con los demás.

Did You Know? Neglect is the most common form of child abuse. It is the failure to meet a child's basic needs, including housing, food, clothing, education, safety and access to health care. Neglect is most often characterized by acts of omission that aren't easy to see. The signs of neglect are wide and varied, and may include: failure to develop and grow appropriately, or malnourishment, among infants; wearing inadequate clothing for the weather; and children who seem to be wholly responsible for the welfare of their siblings. If you know that any type of abuse is occurring, or if a child discloses to you, it is important to communicate these concerns to the appropriate authorities. Call your local law enforcement or child protective services department to report suspected abuse of any kind. For a copy of the VIRTUS® article "The Oft-Forgotten Type of Abuse: Neglect," visit: <http://www.la-archdiocese.org/org/protecting/Pages/VIRTUS-Current-Online-Articles.aspx> or call (213) 637-7508.

Sabia Usted? La negligencia es la forma más común de abuso infantil. Es la incapacidad de satisfacer las necesidades básicas de un niño, incluyendo la vivienda, la alimentación, la vestimenta, la educación, la seguridad y el acceso al cuidado de salud. La negligencia se caracteriza más a menudo por actos de omisión que no son fáciles de "ver", no es como el abuso físico, donde normalmente hay evidencia de marcas físicas. Los signos de negligencia son amplios y variados, y pueden incluir: falta de desarrollo y crecimiento físico adecuado o malnutrición entre los lactantes; vestir a los niños con ropa inadecuada para el clima; y niños que parecen estar a cargo del cuidado de sus hermanos. Si usted sabe que está ocurriendo cualquier tipo de abuso, o si un niño se lo revela a usted, es importante comunicar sus preocupaciones a las autoridades correspondientes. Llame al departamento de policía o al departamento de protección de menores para reportar sospechas de abuso de cualquier tipo. The world today is upside down. Everybody seems to be in such a terrible rush, anxious for greater development and greater riches and so on. There is much suffering because there is so little love in homes and in family life. We have no time for our children. we have no time for each other.

There is no time to enjoy each other.

In the home begins the disruption of the peace of the world.

If you want to promote world peace, go home and love your family.

El mundo de hoy está al revés.

Todo el mundo parece estar en una carrera tan terrible, ansioso por un mayor desarrollo y mayores riquezas y así sucesivamente.

Hay mucho sufrimiento porque hay tan poco amor en los hogares y en la vida familiar. No tenemos tiempo para nuestros hijos. no tenemos tiempo para el otro. No hay tiempo para disfrutar.

En el hogar comienza la interrupción de la paz del mundo.

Si quieres promover paz en el mundo, ve a casa y ama a tu familia.
