~ REFLECTION ~

"This is my body," we hear in today's Gospel. "This is my blood." When we gather to celebrate the Eucharist, the sacrifice Jesus made of his own body and blood, the sacrifice we are all invited to share, we receive the Body and Blood that are truly Christ's own. Then, nourished by his Body and Blood, we are called to go forth as the body of Christ, carrying forward his mission in the world today.

~ REFLEXION ~

"Esto es mi cuerpo"; "ésta es mi sangre", dice Jesús en el Evangelio de hoy. Cuando nos reunimos para celebrar la Eucaristía, o sea, el sacrificio que hizo Jesús de su propio cuerpo y de su sangre, y al cual todos estamos invitados a compartir, recibimos el Cuerpo y la Sangre del mismo Cristo. Y así, alimentados con su Cuerpo y Sangre, se nos llama a salir como cuerpo de Cristo llevando su misión al mundo entero.

Did You Know?

Many teens will get their first job while still in high school. Building a work ethic is a great and necessary skill, but teens need to be informed to about how best to handle possible workplace violence. Coworkers are not always thoroughly screened, and your teen could face another employee's rage or anger that could possible put them in danger. Talk to your teens about warning signs—short tempers, intimidation, drug

use—and about how to remove themselves when they feel unsafe in a situation, and how to report any concerns they have, to a safe adult. For a copy of the complete VIRTUS® article "What Can You Do to Help Prevent Workplace Violence?" visit <http://www.la-archdiocese.org/org/protecting/Pages/VIRTUS-Current-Online-Articles.aspx>.

Sabia Usted?

Muchos adolescentes tendrán su primer trabajo mientras todavía están en la escuela secundaria. Construir una ética de trabajo es una gran y necesaria habilidad, pero los adolescentes también deben estar preparados a manejar situaciones potencialmente violentas en el trabajo. Los compañeros de trabajo no siempre son investigados exhaustivamente, y su hijo adolescente podría enfrentar la rabia o el enojo de otra persona que lo pone en peligro. Hable con sus hijos adolescentes acerca de las señales de advertencia: falta de temperamento, intimidación, consumo de drogas y sobre cómo retirarse cuando se sienten inseguros en una situación.
