

# LAST UPDATE!

USING MAILCHIMP

## DID WE GET YOUR ATTENTION?

Do you want to keep up with what is going on in our ministry?

Do you want to see more pictures of the cutest little baby ever?!?!

## THEN, LISTEN UP!

### IT HAS BEEN A WHILE SINCE YOU HAVE HEARD FROM US

We do have a couple reasons for this. The biggest and most wonderful reason is because our little Gedeon was born at the beginning of March! We can't wait for you all to meet him some day

### THE SECOND REASON...

is because we are in the process of switching platforms for how we will be sending out ministry updates. **Why?** Well, mailchimp has again upped their prices, and it just doesn't make financial sense anymore to continue using their services.

## **EPISTLE**

Our future platform is called "Epistle." This is a platform made specifically for missionaries and ministers to share ministry updates. In this program we will be able to send more frequent updates that will take us less time to prepare, and will help viewing the updates easier from a laptop or a phone.

## **HOWEVER!**

In order for you to be a part of our new list of contacts through epistle, you will have to accept our Invitation to join our recipient list.

### **STEP 1 - CLICK "ACCEPT"**

### **STEP 2 - CHOOSE HOW FREQUENTLY YOU WANT UPDATES**

*Don't worry, we are not going to send daily or weekly updates*

---

## **WE DON'T WANT TO LOSE YOU!**

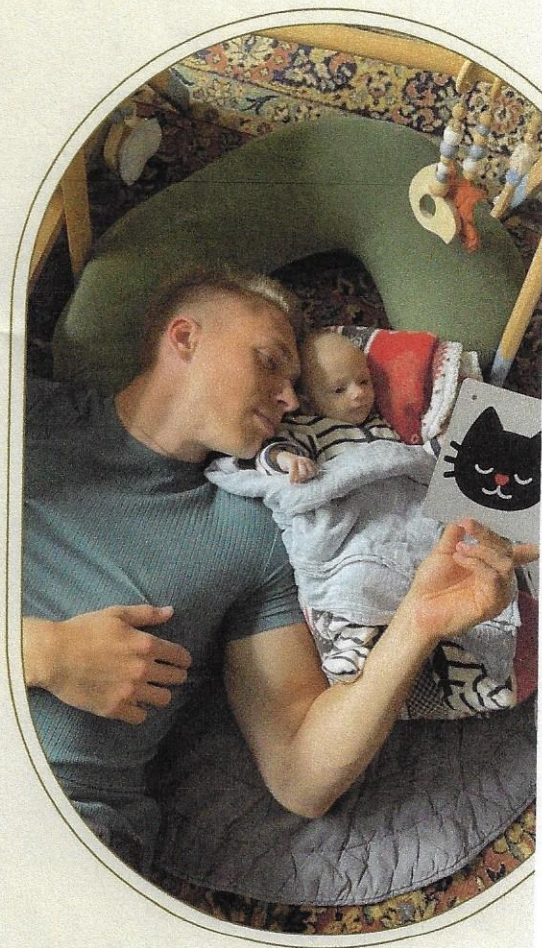

Then, if you want to be truly sure you don't miss an update or cute pictures of Gedeon, you can follow the link at the bottom of the Invitation page In order to make sure our emails won't get sent to spam.

That's It! Super simply, and It will make all our lives easier.
