GIVING: sl.ag.org/gramsofhope

We recently finished a 10 day social media campaign with the goal of raising \$500/month in new commitments in 10 days. Achieving this would get us closer to being fully funded to return to the mission field. It was a lofty goal, but God (and our team) surprised us. We saw \$410 come in from it.

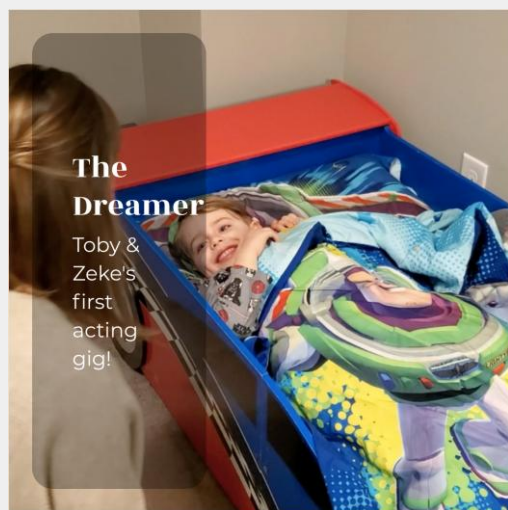

You can watch some of the videos below by clicking on the images, or go to our social media to watch these and more.

Please join us in praying that God will continue to draw in new partners so we can return to Argentina by June at the very latest.

Thank you for being a part of our team as we equip the next generation to step into God's calling on their life.

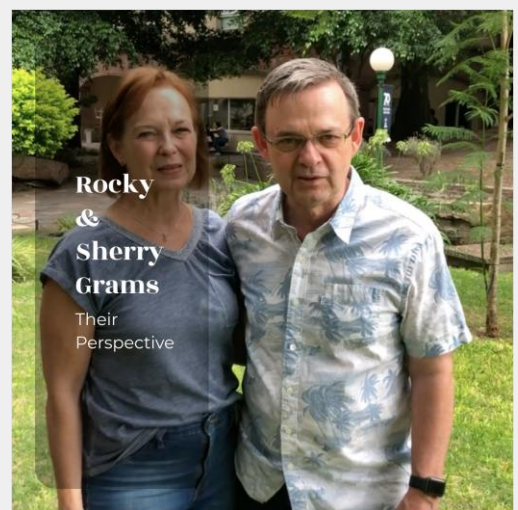

THANK YOU!

Your prayers and your generosity are crucial.
Thank you for making this dream a reality.
