# TILLMANS TO EAST AFRICA

## WELCOME TO OUR VERY FIRST NEWSLETTER!

For our first update, we have some BIG news—we've purchased our tickets! We will officially be departing at the end of January from Hartsfield-Jackson Atlanta International Airport. From there, we'll fly 2.5 hours to JFK in New York City, and then 13.5 hours straight into Nairobi, Kenya. What a way to begin the year 2026.

Looking back, 2025 has been filled with miracles and moments where we have clearly seen God's hand at work. And just as we physically turn the calendar to a new year, we are also mentally and spiritually turning the page into a new season—one where only God knows all that will take place.

This season of fundraising has moved much faster than we ever anticipated. It has come with many emotions, but none greater than the deep joy in our hearts for the work God has called us to.

Next Generation ministry and compassion ministry are the methods—but the message is, and always has been, Jesus.

This past week, we were able to spend the holidays with our families—likely the last time for quite a while. It was a season filled with blessings, laughter, and memories we will treasure. We truly hope you were able to enjoy meaningful time with your loved ones as well.

We are overwhelmed by the support system God has surrounded us with. Thank you for being part of this team through your prayers, encouragement, and financial support. We couldn't do this without you—and we are so grateful to walk this journey together.

## HOW CAN YOU PRAY FOR US

As we step into this next season, we would be honored to have your continued prayers:

- Safe travel and smooth transitions as we journey from the U.S. to Nairobi and settle into a new rhythm of life and ministry.
- Spiritual covering and unity for our family as we navigate change, new responsibilities, and new cultures.
- Mental clarity for our family as we begin learning the language of Swahili.
- Health and strength for our children, as we have battled several physical illnesses this past month. We are believing for full healing and renewed strength.
- Open doors and divine connections as we begin building relationships with leaders, churches, and the next generation across East Africa.
- Wisdom, endurance, and sensitivity to the Holy Spirit as we serve in both Next Generation and compassion ministries.
- Continued provision and faithfulness for every remaining need as we prepare to launch fully into the field.

Thank you for standing with us in prayer. We truly believe that this mission is only possible because of faithful partners like you who pray, give, and believe alongside us.
