

Merry Christmas!

Merry Christmas and
Happy New Year
from the Hartsell Family!

Thank you for partnering with us to share the "good news of great joy" with the Senegalese!

You helped provide this tabernacle for believers in the village of Sangalkam. Now they have a permanent location to grow and spread the Good News in their village!

You are making a
difference in Senegal!

Thank you for your partnership.
Thank you for helping us to
equip and disciple the
developing Church in Senegal.

Together, we are growing
God's Kingdom through several
ministry initiatives. We've also
had some extra expenses with
Emily's medical travel, STL car
repair, and repairs to our roof.
We need your help to make up
the difference. You can give at
the link below.
