

Hello Friends & Family,

We have attached a very special high school graduation announcement as Schuyler transitions to Bible College pursuing the Lord's call on his life to Northern Asia. We are so proud of him! And we are grateful to you for your prayers and encouragement over the years regarding Schuyler. The Lord has worked through your prayers and kindness to make him the person he is today. A MILLION AND ONE THANKS!

Please continue to pray for Schuyler during this time of transition. We are praying for you!

With much love,

The Garrett's
