IT IS A NEW EXCITING YEAR!!

2019 has kicked off with an exciting bang! During the months of December-February our students have summer break! We held a summer day camp for our Chicos and Chicas! We completed a sewing project, played team games, ate delicious foods, and hung out together!

The new school year is in full swing and we are excited about this upcoming year with our students! We feel hopeful about what God is doing in the hearts of our girls and boys. Last year we saw so much spiritual and personal growth in their lives. We are praying that God continues this growth and that we see even more!

This year we are expanding Chicas and Chicos! We will begin the program in a brand new school as of March 11! Please pray for the team as we begin laying foundations with these students in a new place. This is an exciting step, but comes with its own unique challenges. Pray for wisdom, favor, and open doors into the lives of these new students.

God has been doing so much in my heart lately.
I absolutely love what He has called me to do.

More than ever, I feel content in the place He has me.

Thank you for your continued support, financially and in your prayers. Each of you are a huge reason I am able to stay and do what God has placed in my heart to do. From the bottom of my heart, I want to say **thank you!**

Prayer Requests:

- *New Chicas and Chicos that come into the program
- *Wisdom to be able to minister to the girls and boys exactly how and when they need it
- *Unity of our Chicos/Chicas Staff
- *New ideas that help us minister most effectively to our kiddos.
