
Larry and Melinda Henderson

20 years serving as

AG World Missionaries

There has never been a more strategic time than what we are living in today to advance the cause of Christ! Pandemic may have changed the rhythm we have known in the first 19 years of our missions career, BUT opportunity to spread this Good News has been multiplied!

What God-moments we are living in as we learn to listen to the leading of the Holy Spirit, pivot where it is needed and press forward with steadiness to see God accomplish the Great Work.

This is living! This is missions! We are more excited than ever about what waits ahead. New people accepting Jesus, people receiving their first written copy of the Bible, new church plant being built and continued discipleship happening everyday! What a time to be living and making History.

This is living! This is missions! We are more excited than ever about what waits ahead. New people accepting Jesus, people receiving their first written copy of the Bible, new church plant being built and continued discipleship happening everyday! What a time to be living and making History.

Thank you all who LOVE us, PRAY for us and SUPPORT faithfully. Lets together TAKE this Message of HOPE to a hurting World. 2021 we are moving ahead!

Missions Partners ZOOM Call **Wednesday, March 24th 11:00 (CST)**

Your Invited! Come join Larry and Melinda for a LIVE Zoom call. We'll be sharing updates, testimonies and what Missions projects are ahead of us this year.

RSVP and let us know that we'll see you on the 24th. When you RSVP, we will email you the ZOOM link.

Book us for a Virtual Missions Service!

One thing we have learned is that ministry can look a little different and still accomplish great things for Gods Kingdom. Larry and Melinda are both available in 2021 to book virtual missions services. We can pre-record them or possibly be live: we can tailor it to what best serves your local church or ministry setting.

Please **email** and let us know a month that we can serve the missions vision of your church. Lets work together and make a GREAT impact for MISSIONS in 2021.

The INSPIRE Project

The first INSPIRE event for 2021 is happening this week! We would love to have YOU register and jump in to see what God is doing as we reach girls and women from around the World.

Register a single ticket just for yourself or even better purchase a **Group ticket** and share it with the ladies in your church. It will be on-demand beginning March 5th, so you can watch it in any timezone. [Register NOW](#) or make a donation and HELP us INSPIRE!

If you have neighbors, colleagues or friends that speak multiple languages that is a great witnessing opportunity. The INSPIRE Night is broadcast with 8 subtitle options: English, German, Spanish, Tagalog, Russian, French, Hungarian and Romanian.

We would LOVE to hear from you.
