U.S. MISSIONS

**CHURCH
MOBILIZATION**

What I Didn't Know

In March 2019 I was in Springfield, MO for Missionary Candidate Orientation. The week ended with a service where we watched Missionaries who had finished their iteration process get commissioned and prayed over to be sent out. Sitting there in my enthusiasm I thought, "I will be back next year!" I didn't know all the challenges iteration in 2020 would bring. In fact, in 2020 iteration took a back seat to our mission of helping churches. I didn't know sitting there that night that my plans and dreams were much smaller than God's plans were. I didn't know what Covid 19 was or how it was going to change our world. But God did! He had put us in a place to where we could have the most impact in helping His Kingdom in the United States.

Thank you to all of you! While the journey is not over, I feel we've passed a milestone. While being commissioned is special it does not change our daily work. I'm still out traveling and working with churches. We are closing out the year and I feel I'm busier than ever before. Please be praying as we look to finish the year strong, and as we start planning for 2022.

As we start our first term as AGUSM Missionaries officially, there was one other thing I didn't know when I was sitting there in 2019. I didn't know the people I would meet, and the many friendships I now have. Thank you for your continued support and friendship! We are blessed to know you!

It is official we are now
commissioned US Missionaries!

Her second time to fly and she
loves it!

Lily enjoyed getting to work
with a church that meets in
a theater.

Madison is always a big help
when she travels with me!
