

A movement of **HOPE** **ACROSS** MACEDONIA

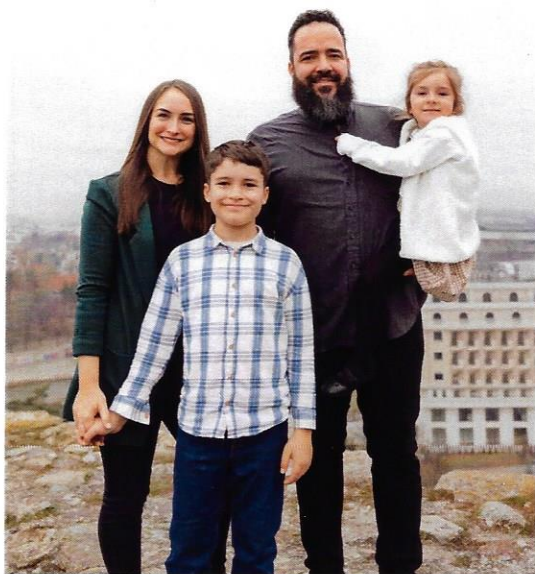

Children are encountering the hope of Christ in powerful, life-changing ways — through Sunday School classes, Royal Rangers, after-school care, food outreach, and the vital work of our Pro-Life Resource Center. Every Bible story shared, every meal served, and every act of kindness is rewriting a child's future. Through your prayers and giving, we're not just meeting needs. Together, we're shaping destinies.

These boys and girls are tomorrow's pastors, innovators, business leaders, and kingdom builders — and today, their journey is being ignited by pastors, leaders, and mentors who are planting seeds of faith and purpose. Your faithfulness is making the difference — turning moments of ministry into lifelong impact.

THANK YOU for believing in the NEXT GEN-

AND FOR BEING A PART OF THE STORY GOD IS WRITING THROUGH THEIR LIVES.
