## Connect Guide

### Discuss

1. Who is in your family? Does it surprise you to consider that family was God's idea? Have you ever noticed specific reasons you think God put your family together?
2. What are some ways you feel good about your family?
3. The Bible is full of dysfunctional families. Discuss a few of your favorites. Here is a link to some Pastor Rich shared. <http://kidzblitz.com/dysfunctional-families/>
4. Have you always had a church home? What are some things you look for in a church home?
5. Small groups, ministry teams, sports teams, neighbors often become 'extended family.' How does having extended family contribute in practical and spiritual ways to becoming a Kingdom family?
6. When you are excited about something who do you tell? What are some intentional ways and milestones to celebrate with Kingdom families?
7. Do you know some 'non-Kingdom' families? How can you love and lead them to Jesus?

### Apply

The Bible provides a running list of dysfunctional families. But here's the thing: God continued proving faithful through them. He heals and He comforts and He calls and He blesses. And His hope is that every family, including yours, will become a Kingdom Family. How do you do that? Select at least one point that Pastor Rich made and set a goal to accomplish it this week. Will you find a church home and go? Connect with extended family? Celebrate together? Reach out to non-Kingdom families?
