Help us this morning to receive it. Let nothing hinder the free flow of Your Spirit here. But teach us this morning how to pass it on. As we trust in You, help others to trust in us. So that through us others will come to follow You. In the Name of the One who is worthy, Jesus our Christ. Amen.

Announcements and Upcoming Events

Update on Pastor John

Pastor John continues to improve and regain strength. He has even made several short, impromptu visits to church recently! It has been encouraging to see him walking these familiar halls. He is still not allowed to be among large gatherings of people, so we cannot expect to see him in weekend worship quite yet. We hope his recovery continues and that he'll be able to return in a very limited capacity by the end of summer. Pastor John sincerely appreciates all of the love and support he and Patsy have received. Continued prayers and cards are welcome; please respect the family's request for no visitors at this time. He sends his best to his Community Church family!

Building News

This week bring more and more signs of construction. There was heavy equipment onsite this week, and you'll notice some site work in our side lot has begun. You'll also see changes to the inside of the building as well as there have been electricians and HVAC professionals on site preparing for the initial phases of our construction. It is so exciting to see everything taking shape! We continue to pray for this project, our church and God's guidance as we move forward. We are Building in Faith!

Traffic Patterns

Please use caution, care and patience when entering and exiting our campus. Signage and lots of friendly faces will help direct you as you come and go, but we ask that you take your time in the parking lot.

For the next 8-9 months, our traffic patterns will remain the same. You will enter the parking lot as you normally do. You will no longer have the option of proceeding to the right of the building to the back of the church. Instead, you will drive along the front of the building (note that the parking in the top lot will not be available, see below). To access the rear parking lots, you will use the lanes between the MMR and the Ministry House. This will be a two lane traffic pattern, and we ask you to use great care driving in this area. Be alert for oncoming traffic as well as adults and children making their way into church.

Parking Lot

We understand that parking will be less convenient during construction, including not being able to park in the top parking lot. We apologize in advance, and we hope that you'll find this to be just a short-term inconvenience. Please plan to allow a few extra minutes to get into our campus and park. We would like to ask our members and regular attendees to please come early to service and stay and fellowship a while before leaving after services. Also, if able, please park away from the building in order to help our guests/visitors and those with mobility problems to feel more comfortable and have easy access to the Church. Thank You for your cooperation during this busy time. If you have concerns regarding the parking lot, please contact Elizabeth Somes (esomes@communityumchurch.com), or better yet, join her Parking Lot Ministry Team.

Need a lift?

If you have difficulty walking to the sanctuary or MMR, we have several wheelchairs that can be used to get you there. We have also designated the pull-off area by the elevator entrance as a drop-off point. Please inform one of the friendly Parking Lot Ministry Team Members (wearing an orange vest or shirt) of your needs when you pull into the lot.

Construction Area Off-Limits

We are excited about construction ramping up, and we hope you are too! We are thrilled to see construction starting—but let's watch from a safe distance! Please note that construction sites are inherently dangerous. Please ensure that you and your children stay safe by not venturing past the construction fencing, even when construction workers are not onsite. Although the area may appear safe, tripping hazards and other hidden dangers are likely present. Next year, we will be scheduling tours of the new sanctuary when it is safe to do so. We thank you for your patience as we begin this exciting stage in the church's history.

Entering the Building

Due to construction, the ONLY entrance to the building will be the double glass doors by the elevator. You can access the second floor via the stairs or the elevator. For safety purposes, you will be able to exit most doors in emergency situations, but please plan to enter the building using the glass doors by the elevator.

Building Use

For years, we've tried to live up to our name with regards to providing use of our building. We've opened our doors to the community for baby and bridal showers, birthday celebrations, sporting events and other gatherings. While we are under construction, our space is limited, and it will be our priority to reserve room for the ministry events of Community Church. For this reason, we ask that you consider other venues for non-ministry events as we will not be able to accommodate requests for community events. Thank you for understanding!

Construction Project Point of Contact

If you have questions about the project, please feel free to contact Deb MacAllister (dmacallister@communityumchurch.com) or Heather Dolhi (hdolhi@communityumchurch.com). They will be attending weekly progress meetings and working closely with McKnight throughout construction. McKnight has requested that a point of contact be maintained to reduce confusion and maintain continuity.

Thank you for your continued prayers and patience as construction continues!

Back to School Block Party / August 26th / 4:00 pm

The calendar says summer, but we know that the first day of school is coming soon. Give summer one last blast with Community Church's Back to School Block Party on Saturday, August 26 beginning at 4 pm. If you know someone headed back to school this fall—students, teachers, aides, nurses, bus drivers, administrators, etc.—invite them to make plans to come for the fun and send summer out in style! We've got plans for face painting, bounce houses and yummy food....and so much more! When you've had your fill of fun and food, join us for worship by Community Church's worship team and a special message by guest speaker Anna Frye. Anna's lesson for the evening will be a blessing to everyone returning to school as well as to the families who love them! Make plans to bring your friends and neighbors—this rain or shine event is open to everyone!

Beyond The Walls / August 27th / Multi-Ministry Room / 10:45 am

Come serve our community in the name of Jesus! As Christians, we are called to be Christ's disciples after we leave the church building. While that should be part of our mission each day, on August 27 we are going to do this in a coordinated effort. On Sunday, August 27, we will NOT gather for the 10:45 am worship service. However, we will meet at the church that morning at 10:45 am to receive a blessing and final instruction, and then we will leave the church to serve our community! The service opportunities are being finalized—we will share them with you soon! The other worship services will meet as scheduled that weekend; you might want to plan to worship at a different service that weekend and serve with the Beyond the Walls teams. Please plan to join us for this morning of service in Jesus' name.

Community Church Family Pirate Game / August 17th / 7:05 pm / PNC Park

All are welcome to come out to PNC Park for the fifth annual Faith Night on Thursday, August 17, and root for the Pirates as they play the St. Louis Cardinals at 7:05 p.m. Following the game, you'll relocate to sections 1-13 and 101-115 along the first base line to hear your favorite Pirate players and coaches share their personal experiences with how their faith has impacted both their lives and their careers in baseball specifically. Tickets can be purchased through the church and are \$10/ticket. Transportation is NOT provided but, carpooling is encouraged.
