SHARE CHRIST WITH OTHERS THIS CHRISTMAS

This Christmas season, as you are writing your Christmas cards and lists, consider adding Christ. At the Welcome Centers, you will find cards with our Christmas service times- extend an invitation to your family, friends and co-workers to join you at church. You can add a card in each Christmas card you mail, along with a little note inviting that person to join you. There are many opportunities to invite people in your life to church this Christmas. Give someone the ultimate gift this year- the gift of eternal life.

Building News Update!

So much progress has been made to several areas of construction! Four caissons were drilled this week, and the deck steel for the office suite is installed. Parapet walls in the office suite will be constructed this week, and the roof over this area will be installed next week. The masons have started to fill the MMR insets with stone—take a look and see how great the work looks! The retaining wall by the handicap parking was repaired, and the retaining wall near the rear of the property is nearing completion. We are thankful for this mild, dry weather and the progress that was made because of it. We are excited to see things take shape!

As you make your way into Community Church's parking lot from Route 130, please remember that **there is still only ONE entrance into the campus from Route 130**. We've always had one entrance, and that has not changed with construction. We've noticed that some people have been entering our campus from Route 130 closer to the Ministry House. **That is an EXIT ONLY location**, and entering our campus near the Ministry House could cause confusion, traffic congestion or even an accident. As always, we ask that you take your time, pay attention to signs and use extreme caution in the parking lot.
