Discuss:

1. What are some talents or skills you have that have developed over time? What did it take for you to become good at them? What are you doing to become a better follower of Christ?
2. In what ways have you seen God work in your life over the past decade? How is God working in your life right now? What leads to becoming a disciple of Christ who is either stagnate or progressive?
3. Who is someone you admire and want to be like? Jesus wants us to be like him. Name three qualities of Jesus you strive to emulate. How are you doing with those traits?
4. Who is to be making disciples? One or two church leaders? How has a church leader equipped you to make disciples? Name 2 gifts you have that can be used to make disciples.
5. Read Ephesians 4:12-13 and Philippians 2:12-13. What do these verses proclaim about God's purposes, plans and people? What is the one mission of the Church? How do these verses encourage us in that mission?

Apply:

Becoming a follower of Christ is a progressive journey always growing and changing. It should be our personal mission to be like Christ in all we do and say. Corporately, all of us as believers are expected to use our gifts to build up the church. How can you be more like Jesus and make disciples?

Prayer:

God, thank you that your name is sweeter than anything else on, above or below earth. You are powerful and knowing. You are jealous and yet merciful. Your kindness draws us to you. In Jesus Name, Amen.
