Raising Awareness of the Sanctity of Human Life

On January 22, 1984, President Ronald Reagan issued a presidential proclamation designating the third Sunday of January (or close to that) as National Sanctity of Human Life Day.

Pastors, churches and life organizations across the United States use this day to bring awareness to the attacks that are daily waged against human life through the abortion industry.

One of the best ways we can protect unborn lives is by bringing into the light the darkness of abortion, and supporting local Pregnancy Help Organizations who daily reach women and families with messages of hope and life.
