The Good Samaritan Clinic Continued...

Why We're Moving

Our new location at 1616 25th Avenue places us closer to the center of Tuscaloosa, improving accessibility for many who rely on public transportation or live within city limits. This move will enhance our ability to expand appointment availability and strengthen our ties to nearby community outreach programs. **One Mission** of Tuscaloosa will also be in **The Center**, along with **TCBA**, providing for families in crisis, as well as long term help in developing spiritual and economic transformation. This move is more than a change of address—it is an investment in the long-term health of our patients, their well-being and our region.

Looking Ahead

We will share more information soon regarding timelines, grand opening events, and how patients can prepare for the transition. Our commitment to uninterrupted, high-quality care remains steadfast throughout this move. To all our volunteers, donors, community partners, and—most importantly—our patients: thank you for trusting us and walking with us through this exciting new chapter. For questions or updates, please contact the Good Samaritan Clinic office. We look forward to welcoming you to our new home at 1616 25th Avenue, Tuscaloosa, and continuing to serve West Alabama with excellence, compassion, and faith-driven care.

The Good Samaritan Clinic

From the Executive Director: Good Samaritan Clinic Announces New Location to Better Serve West Alabama

The Good Samaritan Clinic is excited to share an important milestone in our ongoing mission to provide compassionate, high-quality healthcare to those who need it most. After many years at 3880 Watermelon Road in Northport, AL, we are preparing to move to a new, more accessible location: **1616 25th Avenue, Tuscaloosa, AL**. This move represents a significant step forward in our commitment to improving the health and well-being of adults across West Alabama who lack access to medical and dental care. We anticipate this happening by the end of January 2026.

Our Mission Continues

Good Samaritan Clinic is a non-profit medical ministry that provides free health and dental care to adults in West Alabama who do not have health care and limited financial resources. This mission—rooted in compassion, dignity, and service—remains the heart of everything we do. Our new home will allow us to serve even more patients in an environment designed to support high-quality, community-focused care.

A Strong Partnership That Continues

The Good Samaritan Clinic is deeply grateful for the continued partnership of the **Tuscaloosa County Baptist Association (TCBA)**. Their faithful support has provided a home for the clinic and our mission for years, and we look forward to strengthening this collaboration as we open our new doors in their new mission facility, **The Center**. Together, we are building a healthier, more compassionate community.
