REVIVAL

What is the biblical definition of revival?

- an improvement in the condition or strength of something.
- an instance of something becoming popular, active or important again.

Youth

I am so proud of the students who led music and spoke last week. It is such a joy to see students being a part of our worship team. There will be no Sunday night or Wednesday night class this week due to revival. We will meet in the sanctuary instead.

Have a blessed week!
In Him,
Stephanie <><
