Dear Parents,

Wade Christian Academy is a distinctly Christian institution which stands in opposition to the secular schools that purposely choose to omit God by denying the relevance, or even the existence of Jehovah God. Our goal is to glorify our Lord by partnering with parents in the education of their children; to provide biblical wisdom while providing a high academic standard. We strive to keep our school a safe environment in an unsafe world; not to isolate our students, but to prepare them to make sound and Christ-honoring decisions in the future.

WCA exists as a ministry of the First Baptist Church of South Brevard. As such, we recognize God's admonition to parents: to teach their children to love God with all their heart, soul, mind, and strength. Our purpose is to be a help to parents as they carry out this admonition. We, the faculty, staff, and administration, consider it an honor and privilege to serve you, the parents, as well as your children. May God bless you in your efforts to train up your children for His glory.

*In Christ,
Pastor C. M. Rhodes*

Our Identity

WCA is an independent Christian school – a ministry and integral part of First Baptist Church of South Brevard (FBCSB). Striving for excellence in academics, our goal is to provide a Christ-honoring learning environment in which to train our young people for the glory of God. The Pastor and Deacon Board comprise the governing board of WCA. WCA is currently seeking accreditation from the Florida Council of Independent Schools (FCIS) and the International Association of Christian Colleges and Schools (IACCS).

Our Vision

“Preparing our youth for godly success”

Joshua 1:8 “This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.”

Our Mission Statement

The mission of Wade Christian Academy is to provide an environment of excellence in spiritual and academic training necessary to lead students to a saving relationship with Jesus Christ, prepare our students to fulfill God’s purpose for their lives, and equip them to positively impact their community through the biblical principles of evangelism, character, leadership and service.

Our Core Values

In pursuing the character of Christ, we will:

- Seek and proclaim the truth of God's word
- Strive for spiritual and academic excellence
- Serve others for the glory of God

Our Statement of Faith

We believe:

—that there is one God, eternally existing in three persons: the Father, the Son, and the Holy Spirit (Genesis 1:1, John 10:30, 1 John 5:7)

—that the Bible (we use the KJV) is the inspired and inerrant word of God (2 Timothy 3:16; 2 Peter 1:20-21)

—that the foundation of all Bible doctrine and especially the Gospel depends on a literal interpretation of Genesis – that in 6 literal 24-hour days God created the universe, a “young” earth, and man as a direct act (Genesis 1:1 –2:25)

—that death followed only after Adam sinned and all mankind is born with a sinful nature and each individual is in need of a new birth (Genesis 2:16,17; 3:1-24; Romans 3:23, 5:12).

—that Jesus Christ is the Son of God, born of a virgin, begotten by the Holy Spirit, and is true God and true man (Matthew 1:18-23, Philippians 2:5-11)

—that the Lord Jesus Christ died for the sins of all mankind as our substitutionary, atoning sacrifice (Isaiah 53:4,5; John 3:16; 1 Peter 2:24; 2 Corinthians 5:21)

—in the resurrection of the crucified body of our Lord and His ascension into Heaven (Luke 24:39; 1 Corinthians 15:3,4; Acts 1:8,9)

—that all those who believe in and receive the Lord Jesus Christ by faith are born again of the Holy Spirit, become children of God, and receive the gift of eternal life (John 1:12, 3:3-7; Romans 6:23b; Ephesians 2:8,9)

—in the security of the believer (John 5:24, 10:27-29; Ephesians 1:13)

—that the Holy Spirit empowers the Christian to live a consecrated life (John 16:13; Acts 1:8; Romans 8:13,14; Galatians 5:16, 17, 25)

—in the personal, premillennial, pretribulational, imminent return of our Lord Jesus Christ (John 14:3; Luke 12:40; Acts 1:10,11; Matthew 24:29-31)

—in the bodily resurrection of the just and the unjust; the everlasting blessedness of the saved and the everlasting punishment of the lost is assured (1 Thessalonians 4:13-17; 2 Corinthians 5:8; Matthew 25:46; Revelation 20:7-15)

ATTENDANCE POLICIES AND HOURS OF OPERATION

4. School Hours

- 4.1. School hours are 8:30 a.m. – 3:30 p.m. (M-Th); 8:30 a.m. – 2:15 p.m. (Fri). Students should not arrive at school before 8:00 a.m. High school students will not be allowed into the school buildings until 8:20 a.m., or until the teachers meeting is finished. Elementary students will gather with the teacher/monitor in the elementary building, (100 building), hallway. Elementary students will be picked up by their teachers at 8:20.
- 4.2. Students who are not in the classroom and ready by 8:30 a.m. are considered tardy and must report to the school office for a tardy pass. Late admittance to class will be determined by the teacher.
- 4.3. Students not engaged in after school academic or extracurricular activities (including after school care) must be picked up or leave school property by **3:45 p.m.** (M-Th); **2:30 p.m.** (Fri).
- 4.4. Students shall leave the campus as soon as they have a ride and **must not loiter in the parking lot.**
- 4.5. Parents may escort their students into the school building until 8:25 a.m. At that time we ask for parents to drop them off at the door.

5. School Attendance Philosophy

- 5.1. The school calendar is published apart from this handbook. Regular, faithful school attendance is necessary for good education. God expects faithfulness from His servants. It is our responsibility as parents and educators to teach the importance of faithfulness (I Timothy 1:12). *“He that is faithful in that which is least is faithful also in much”* (Luke 16:10).
- 5.2. Perfect attendance is recognized at the end of the school year awards ceremony. It means a student attended school every day from 8:30 a.m. until the end of the school day. Grace is given for one tardy and one early dismissal per semester.

6. School Attendance Policy

- 6.1. The parent/guardian of each student who has been absent from school or from class for any reason must provide a verbal or written statement of the cause to the school for each absence. A pre-arranged absence form will need to be filled out and turned into the office to excuse upcoming absences. The form must be turned in and approved for the absence to be marked excused. Depending on the circumstances a parent may call in the same morning to inform the office of an unplanned absence and the administrator has the right to excuse or not excuse the student for the day/days. The School Administrator reserves the right to verify such statements and to investigate the cause of any absence.
- 6.2. Absences due to medical or dental appointments (verified by a doctor’s note) or family emergencies will be considered an excused absence.
- 6.3. Each quarter, a parent may write up to 3 sick notes that will excuse their child from class for the day. Any additional days past the 3 from the parent must be verified from a medical professional.
- 6.4. Teachers have the responsibility of maintaining accurate attendance records that remain on file and are subject to being updated by the school office. The school will contact parents/guardians each time their child is absent, in so far as possible. When a student has been absent three (3) consecutive days and the school has been unable to ascertain the reason for the absences, the absences shall be investigated by the School Administrator.
- 6.5. Students absent more than nine (9) days within a semester must complete additional make-up work to receive a passing grade/credit for the semester. A meeting with the WCA Academic Dean is required to determine the work and number of hours to be completed. The hours will be made up after school under a teacher’s supervision for a fee dependent on the time the student was absent. Students not completing assigned make-up work will not receive credit for classes missed and will not receive a passing grade/credit.

6.6. Students must be in attendance a minimum of four (4) hours of instructional time to be considered present each day. High school students must receive a minimum of 135 hours of instruction in each class. Excessive absences may impact academic credit.

6.7. Students who accumulate a total of fifteen (15) days of unexcused absences in a period of ninety (90) calendar days will be considered habitually truant, as defined by Florida law. This is an extremely serious situation. A mandatory meeting between the student, parent(s), School Administrator, and Academic Dean is required for students deemed to be truant. Summer school attendance will also be required.

7. Tardy to School (or Class)

7.1. General Guidelines – It is important for students to report to school and classes on time. Students entering the classroom late disrupt class flow and instruction. Habitual tardiness indicates a general lack of support for school policy. Continually bringing children late to school is not in accordance with our *Parent's Pledge of Acceptance and Cooperation*.

7.2. Students tardy to school will report to the school office before going to their next scheduled class. Late students are responsible for making up any missed work. Credit for missed work due to an unexcused tardy will be reduced one letter grade, unless it is a high school class and the student missed the entire period by being tardy (see 8.4).

7.3. Students tardy to class will not be allowed entry to class by the teacher and will report to the school office for further direction. High school students who are not in class and ready for instruction when the bell rings shall be considered unexcused tardy for that class and will be recorded as such by the teacher.

7.4. Parents will be contacted by WCA Administration once a student is tardy unexcused for the third time in a quarter. At this time, a plan will be put in writing to determine consequences for any additional unexcused tardies during the quarter. Consequences may include, but are not limited to, a 45-minute detention and a \$10 charge for each additional unexcused tardy during the quarter.

7.5. Four unexcused tardies to school or class will equal an unexcused absence.

8. Make-Up Work Policy (Specific to Classwork and Homework)

8.1. It is the student's responsibility to find out what was missed in class during an absence or tardy.

8.2. Previously assigned work due during a student's absence must be turned in the day the student returns to class. Late homework or classwork will not be accepted after the second day past the due date.

8.3. Students with excused absences from school are to make up all missed assignments, without penalty, within the number of days absent, plus one additional day. For instance, a student is excused absent on a Tuesday and Wednesday of the same week. The student must turn in all missing work no later than the following Monday.

8.4. Students with an unexcused absence from school will not be able to make up their missing work for credit. This also includes high school students who miss an entire class period.

8.5. Except for special circumstances, previously assigned long term assignments/projects are due on the announced due date.

8.6. Any work not turned in will be counted as a zero in the gradebook until the assignment has been submitted and graded.

8.7. If a high school student misses an entire class without a valid reason, they will be considered absent unexcused from the class. Any exceptions to the above rules must be authorized by the WCA School Administrator. In order to be given an exception to the above rules, a student must demonstrate a legitimate hardship as approved by WCA Administration.

9. Designation of Absences

- 9.1. Student absences are either excused or unexcused.
- 9.2. Excused absences are preplanned absences which have been coordinated and approved by the WCA Administration at least 3 days prior to the absence by the *Student Pre-Arranged Absence Form* (available in the school office). Excused absences will be determined on a case-by-case basis.
- 9.3. Unexcused absences are absences from school without prior coordination or approval by WCA Administration.
- 9.4. Students are allowed a maximum of nine (9) absences per semester. Once that threshold has been reached, the parents and students must meet with WCA Administration to determine the additional work must be completed by the student to earn credit for the semester.

10. Emergency Closing of School

If Brevard Public Schools close due to the threat of dangerous weather conditions, WCA will also close. Please listen for TV or radio announcements. In the event of weather-related school closure, WCA will determine, separate from Brevard County schools, the reopening date.

The School Administrator may authorize varsity athletes to wear their varsity sports jackets or warm up shirt on game days. This decision will be made on a case-by-case basis.

39. Dress Standards for WCA-sponsored Trips

The uniform for WCA-sponsored trips will be normal school dress unless other standards are specifically prescribed by WCA Administration.

40. Coat/Jacket/Sweater Policy

40.2. Students will remove their coats/outer garments immediately upon entering WCA facilities and store them in their appropriate locker during the school day.

40.3. Classrooms are kept at a comfortable temperature and there is normally no need for students to wear jackets or sweaters in class. The student will be held out of class, unexcused, until the DCV is corrected. If the parent/guardian is unable to assist, the student will be loaned the proper uniform item(s) (if available) and a \$10.00 fee will be assessed to the student's account.
- 2nd DCV: Same as 1st DCV
- 3rd DCV: A fine of \$25.00 will be assessed and accrue for each additional DCV. This fine will be billed to the student's account.

43. SPORTS ELIGIBILITY

43.1. Participation in interscholastic sports is a privilege and any student who desires to participate in WCA sports must meet certain minimum academic and behavioral standards. Eligibility rules are as follows:

43.2. A student-athlete who has a failing grade in any subject on a report card will not participate in any games for one week. Eligibility is re-established if the grade is brought up to passing by the end of the week. If eligibility has not been re-established by the end of the first week, the grade will be checked again the following Friday. A student-athlete who has a failing grade in any subject on a report card is ineligible for a period of one week, beginning on the last day of the grading period. Eligibility is re-established if the grade is brought up to passing by the end of the one week ineligibility period. During the ineligibility period, the student is to attend help classes and will be excused from practice in order to get such help. The student is expected to attend all practices not held during help class time.

All are upheld to these guidelines unless other wise stated by the talent development department.

43.3. A student-athlete with an overall grade point average below 2.0 is not allowed to participate in athletics. Grade point averages (GPA) accumulate by semester, so a student-athlete with a cumulative GPA below 2.0 at the beginning of the school year is ineligible until brought up to a 2.0. Ineligible athletes will not travel to away games but are required to attend home games. They are to dress in regular school uniform.

43.4. Additional guidelines for participation in athletics:

- Students will lose their eligibility to participate if they display a rebellious spirit toward the principles and goals of the Lord Jesus Christ, WCA and FBCSB.
- Student must have a physical examination on file, signed by a medical doctor or surgeon, for the year in which he or she participates in sports.
Students must be present in school/class on the day of the athletic event to participate. Suspended students will not be allowed to participate until the suspension is served. Students with excused absences (i.e., medical/dental appointments) will be allowed to participate, depending on their medical condition/report. Students must be present at school, and attending classes, a minimum of four (4) hours to be eligible for that evening's game(s). For example, a student must be present in school from 8:30 am – 12:30 pm or 11:30 am – 3:30 pm to be eligible to participate in that day's game.
- A student's behavior in class will be considered grounds for ineligibility if deemed appropriate by the coach, administrator, and athletic director.
- Students who fail to serve any imposed detention or suspension are ineligible to participate until served. See section 52 "Disciplinary Probation" for further information.

STUDENT STANDARDS OF CONDUCT

44. General

44.1. It is the desire of First Baptist Church and Wade Christian Academy that our students experience salvation by faith in Jesus Christ and become true disciples. The word of God teaches that the goal for each Christian is to become conformed to the image of Christ our Savior, and to find and live God's will for his life (Romans 8:29, Ephesians 2:10). A life consecrated to Christ demands separation from the WORLD, its ideals, philosophies, actions, and goals (I John 2:15-17, II Corinthians 6:16-18).

44.2. A student may be expelled from school or asked not to return the following year if his/her attitude or conduct is out of harmony with our statement of faith, the spirit, or policies of the school whether **on or off property, during or outside normal school hours**, as determined by the school administration. Readmission will be determined on a case-by-case basis.

44.3. Wade Christian Academy was called into existence to help provide an environment conducive to true spiritual growth. This student standard of conduct is an aid in providing an environment that will best promote the spiritual welfare of the student. We therefore expect each student to abide by the standards outlined in the *Student Pledge of Cooperation*.

*** Corporal punishment is strictly prohibited at WCA and will not be administered, for any reason, by any WCA teacher, staff member, volunteer, or employee (full- or part-time).**

44.4. No physical contact is permitted in the relationships between young ladies and gentlemen. This includes hand holding, embracing or other contact that would contribute to undue familiarity. Additionally, male and female students are not allowed to be alone together in any room while on the school campus (this restriction includes automobiles in the school parking lot). Behavior should be above reproach.

44.5. In accordance with our doctrinal statement of faith and in recognition of biblical commands, no immoral conduct will be tolerated. This applies to all students, at all times, whether on school or church property or elsewhere. The Bible strictly forbids such conduct which includes immoral actions as well as advocating for sinful behavior. The following will not be tolerated in any form and will constitute grounds for immediate dismissal: any actions or identifying statements concerning fornication, adultery,

homosexuality, lesbianism, bisexuality, transgender, or pornography. (Gen 2:24; Gen 19:5, 13; Gen 26:8-9; Lev 18:1-30; Rom 1:26-29; 1 Cor. 5:1, 6-9; 1 Thess. 4:1-8; Heb 13:4)

Definition of "immoral act": Bodily contact, actively undertaken or passively permitted, between members of the opposite sex or members of the same sex for the purpose of satisfying sexual desires and any bodily contact that a reasonable person would understand to demonstrate a propensity or intent to engage in an immoral or homosexual act.

45. Standard of Conduct Regarding School Discipline

45.1. Students enrolled in the school are expected to maintain Christian standards of conduct at school, at home, and in the community (I Cor. 10:31). Our students represent the school in all they do and say, and they are expected to be good examples to others. Students are expected to refrain from, engaging in, or talking about cheating, swearing, using any tobacco, drinking alcoholic beverages, and using narcotics. Students are expected to act in a respectful and orderly manner, maintaining Christian standards of courtesy, kindness, language, morality and honesty (II Tim. 2:22).

46. Discipline

46.1. A well-organized and well-disciplined school setting is a requirement for the achievement of good learning. Discipline is made for correction and punishment. All forms of discipline are administered in love and are in the best interest of the student.

46.2. Each student is expected to maintain a proper attitude and to complete assignments without being disruptive to others.

46.3. Demerits are given for minor violations of rules, which may result in detention or dismissal, depending on the number accumulated. Serious rule violations require parental intervention and assistance. These include (but are not limited to) lying, cheating, stealing, cursing, and other forms of serious, unacceptable behavior.

46.4. Students are prohibited from carrying knives or weapons of any type. (Federal law mandates that WCA is legally obligated to contact authorities immediately, if student is found in possession of a weapon).

46.5. The school maintains a "Zero Drug Tolerance" program in place for the protection of our students and preservation of the school atmosphere.

46.6. The school maintains the right to search any student at any time or to search a student's book bag, desk/office, locker, automobile, or any item brought on the school premises.

47. Disciplinary Methods

47.1. A variety of disciplinary methods, which provide both positive and negative incentives, shall be utilized.

48. Elementary School Discipline (Philosophy)

Children need boundaries and consistent leadership to achieve their highest potentials. God's word gives several references pertaining to discipline (Proverbs 22:6, Deuteronomy 6:7, Romans 8:29). Since good discipline sets the stage for proper learning to take place, it is essential that a class be under control. We ask students to practice and demonstrate the behavior that provides everyone the opportunity to learn. Students must display self-control, show respect to adult supervision and complete assigned tasks on time. We want to maintain a school environment that is safe, friendly and productive.

If a teacher must be constantly correcting students, the obedient students are the one to suffer since academic progress is impaired. There are a variety of methods available to the teacher and administration to improve student behavior.

48.1. Examples of corrective classroom measures (in no particular order):

1. Writing sentences
2. Silent lunch
3. Loss of playtime
4. Loss of ability to participate fully on special days/events

49. Elementary School Discipline (Policy and Procedures):

49.1. Elementary teachers have appropriate systems of rewards and discipline commensurate with their grade level but may at any time use a detention slip.

50. DEMERITS: Demerits are given weekly, as earned, to correct unacceptable acts or behavior as follows: (Demerits do not carry over to the next week) All demerits will be approved by the administrator.

50.1. ONE demerit for:

Unexcused Tardiness

Out of seat without permission (after several warnings in class)

Writing or passing notes

Talking without permission (after several warnings in class)

Improper dress for P.E. or school uniform

Unauthorized usage of E-Devices during school

Getting permission from a staff member after refusal by another staff member

Disrespect/talking back

50.2 TWO demerits for:

Talking during a test/quiz

Hitting/bullying

Lying

50.3. THREE demerits for:

Throwing dangerous objects

Spitting on another person.

50.4. FOUR demerits for:

Cheating (also gets a zero on his/her assignments)

Filthy language such as cursing, dirty and/or off-colored jokes and racism

Intentional damage to property (Parent will be billed for damage repair/replacement)

Racist comments or jokes

51. Detention

51.1 Demerits are earned when the student breaks a rule or disturbs the atmosphere of the school. Three or more demerits in one week will result in detention time (after school) every Wednesday as follows:

- 4 demerits = 15 minutes detention
- 5 demerits = 20 minutes detention
- 6 demerits = 25 minutes detention
- 7 demerits = 35 minutes detention
- 8 demerits = 45 minutes detention
- 9 or more demerits = Parents will be immediately called.

51.2. There is a detention fee of \$10 per hour or any part of an hour.

52. High School Discipline (Philosophy)

52.1. One of the main purposes of a Christian school is to assist parents in training young people in godly character; however, this training begins at home and is the primary responsibility of the parents. WCA is not a reform school. For discipline to be effective, it must be based on principles from God's

word. Training a child involves both instruction and correction. The school will cooperate with the church and the home in forming good habits in the student.

The purpose of discipline, be it referrals, detention, or suspension, is severalfold:

-- It is a time of chastening where the student is to connect wrongdoing with punishment (Hebrews 12:7, Galatians 6:7, Jeremiah 21:14a, Hosea 4:9)-- It is a time to warn others (Proverbs 19:25) 22-- It is a time of restitution (Exodus 22:1,4; Lev. 6:5, Luke 19:8) and/or restoration (Gal 6:1). 49.3. The student should reflect on his/her misbehavior and desire to modify his/her conduct to avoid being disciplined again.

53. High school behavioral issues will normally result in a written demerit to the school administration, depending on the severity of the behavior, as follows:

53.1. A. Administrative issues (e.g., uniform discrepancies, tardiness, etc.) will be recorded in MySchoolWorx and brought to both the parents and school administration for action.

B. Minor behavioral issues will initially be handled by the classroom teacher.

C. Significant behavioral issues that teachers are unable to resolve will be handled by the School Administrator. Behavior that rises to the attention of school administration will be handled in accordance with the level of offense committed.

D. Egregious behavioral issues will be immediately referred to the School Administrator. Parents will be contacted, and a meeting will be scheduled.

E. Continued behavioral issues, not corrected by students and/or parents, may result in student detention, suspension, or expulsion.

54. High School Discipline (Policy and Procedures)

54.1 Teachers have the primary responsibility of maintaining good order and discipline in their classrooms.

54.2. If a student fails to positively respond to discipline administered by their classroom teacher, they will be referred to the School Administrator.

54.3. The School Administrator makes the final determination up to and including suspension.

54.4. The WCA Disciplinary Board (FBCSB Deacon Board) will be the final determination authority for behavior that leads to expulsion.

54.5. Permanent discipline records will be maintained for each student.

55. Basic Classroom Deportment

55.1. There will be no talking unless called upon by the teacher (students will raise their hand and wait to speak until called on by the teacher).

55.2. Students may not leave their seat without permission.

55.3. No passing, reading, or writing or notes allowed.

55.4. No homework from other classes may be done during class without permission from the teacher.

55.5. Students will not be dismissed from class without a pass.

55.6. No items will be thrown in the classroom.

55.7. No food or drink (besides water) is allowed in classrooms unless it is pertinent to the lesson being taught and is under the direct supervision of the classroom teacher.

55.8. No gum is allowed on school property.

55.9. Students are not to leave the classroom until they are dismissed by their teacher. Students will not be dismissed until their area is clean and orderly.

55.10. Students are to keep their hands and feet to themselves at all times.

56. DEMERITS

56.1 Demerits are given weekly, as earned, to correct unacceptable acts or behavior as follows: (Demerits do not carry over to the next week). All demerits will be approved by the administrator.

56.2. ONE demerit for:

Unexcused Tardiness

Out of seat without permission (after several warnings in class)

Writing or passing notes

60.3. The speed limit on campus is 10 mph. Care should be taken when driving through the parking lot. Further offenses will result in permanent suspension of driving privileges on campus.

60.4. Students who park their cars on campus may not visit their cars during the school day.

60.5. Students must have a *Student Car Registration Form* on file in the school office.

61. Off Limits Areas

Unless specifically authorized by school authority, the following areas are designated "Off Limits" to students:

62. Textbooks

62.1. Most textbooks are paperback. Paperback textbooks and workbooks will not become the property of the student at the end of the school year.

63. Social Media Policy

Students placing information on social media that is out of harmony with the policies and rules of WCA will be dealt with in the same manner as if the violation occurred during school hours. This is due to the public access and public nature of social media. Therefore, it is important that a student be found consistent in all walks of life, not only during school. All public postings should reflect the nature of Christ and the moral values of the word of God. Postings of faculty pictures or creating a website in their name will be dealt with seriously. Students who post inappropriate material on personal websites will face administrative discipline. Students will be held accountable for all content including messages, comments, pictures, and any other material that appears on any form of a social networking website or messaging feature before, after, or during school (both on and off campus). Unacceptable postings on social media include, but are not limited to the following:

Any student, including home school students, found with an unregistered website or blog will be subject to disciplinary action. Postings found with material that is deemed inappropriate to the purpose and mission of WCA may incur disciplinary action, including ineligibility to attend WCA.

64. Virtual School / On-Line Classes

Florida Virtual School (FLVS) is part of the Florida public school system. Students enrolled in WCA are not authorized to take FLVS classes unless specifically approved by the Academic Dean. Online classes are to be taken as an additional supplement to WCA classes and not in place of WCA classes. Except for failure makeup classes, the following guidelines will be followed concerning FLVS:

64.1. Classes dealing with history, sociology, psychology, government, religion, certain sciences, or other classes deemed inappropriate or contrary to our Christian values or beliefs will not be approved.

64.2. FLVS classes may be used for class credit but will not be used to raise a grade previously earned at WCA (other than failing), or considered in overall WCA grade point average. The reasons are the differences in curriculum, lower academic standards, lack of biblical integration, and a worldly educational philosophy.

64.3. Certain other restrictions may apply if the student is receiving a scholarship.

65. Dual Enrollment/College Courses

65.1. Dual enrollment gives high school students an opportunity to take certain college courses and earn college, in addition to, high school credits for those courses. Eastern Florida State College (EFSC) offers dual enrollment classes at their campus just south of our school. The Baptist College of Florida also offers dual enrollment classes for juniors and seniors in an online format.

65.2. The Academic Dean will meet with the student and parents for approval. Dual enrollment opportunities are limited based on available funds.

65.3. All dual enrollment classes are taken as an addition to the WCA core class load and may NOT replace a core WCA class.

65.4. Students must maintain a 3.0 GPA to participate in dual enrollment.

65.5. WCA students must take all core curriculum classes offered at WCA (Bible, English I and II, Biology, Physical Science, Algebra I, and Geometry, World History, US History Government, Economics, Worldviews) regardless of the level of dual-enrollment participation.

65.6. The scheduling of dual enrollment classes must not prohibit students from taking required WCA core classes.

65.7. Under normal circumstances, WCA students will not be approved to take classes in the following areas: history, sociology/social science, psychology, government, religion, certain sciences, or any other class deemed inappropriate or contrary to our Christian values or beliefs.

66. WCA Drug Testing Policy

WCA reserves the right to randomly drug test students at the discretion of the Pastor, School Administrator, and the Disciplinary Board. The school will provide drug tests unless there is substantial proof that a student has been involved with drugs. In this case, the student, parents, or legal guardian must purchase drug tests.

67. WCA Search Policy

67.1. Prohibited Items

67.1.1. In the interest of maintaining law, order, discipline and decorum in the school and during authorized school functions which take place off school property, Wade Christian Academy prohibits the possession, on school property or at authorized school functions, of substances or objects which may threaten good order, discipline, decorum and public safety.

67.1.2. Such materials or objects may include, but are not restricted to, the following

items: alcoholic beverages; illicit drugs; stolen property; weapons of any kind (any object which may be used as a weapon or which may cause injury); hate literature, racist material, pornography; worldly entertainment, music, videos, or DVDs; food and drink other than permitted lunch or snack food.

67.2. Searches

67.2.1. The School Administrator, or any staff members authorized by the School Administrator, may conduct searches and, where necessary, seize prohibited substances or objects.

67.2.2. Searches may be conducted on ministry property without further notice or advanced permission of the student or parents.

67.2.3. Students shall have no reasonable expectation of privacy in any areas designated to them for storage of personal belongings on school property (i.e., lockers, desks, bag rooms, locker rooms, etc.), nor shall students have a reasonable expectation of privacy in any belongings they may transport onto school property in a bag or on their person (i.e., backpacks, lunch bags, purses, clothing, pockets, cell phones, computers, vehicles, etc.).

67.2.4. If illegal materials or weapons are found during the search, both the parents and law enforcement will be contacted. The student will then be remanded into the custody of law enforcement for prosecution at the discretion of the responding officers. The School Administrator may question a student or visitor in furtherance of an investigation conducted for the purposes of maintaining order and discipline within the school or at an authorized off-property school function.

68. The WCA administration has the right to override any policy if deemed necessary for the student and family.
