***The Wise Man and the Foolish Man***

The wise man built his house upon a rock,  
The wise man built his house upon a rock,  
The wise man built his house upon a rock,  
And the rains came tumbling down.

The rains came down and the floods came up  
The rains came down and the floods came up  
The rains came down and the floods came up  
And the house on the rock stood firm.

A foolish man built his house upon the sand,  
A foolish man built his house upon the sand,  
A foolish man built his house upon the sand,  
And the rains came tumbling down.

The rains came down and the floods came up  
The rains came down and the floods came up  
The rains came down and the floods came up  
And the house on the sand went SMASH!

So build your house on the word of Jesus Christ,  
build your house on the word of Jesus Christ,  
build your house on the word of Jesus Christ,  
and blessings will come down.
