CCS Homeschool Extension Program
Elementary Specials Schedule
2019-20

Please circle all elementary specials classes that your student will participate in during the 2019-20 school year. Each class will be charged at a cost of $350/class as a part-time student or $250/class as a full-time student for the the 2019-20 school year. This completed form should be turned in with your student's application. If your child has already applied, this completed schedule may be completed, scanned and emailed to tonya.burns@ccsky.org . Please note that no refunds will be given for classes that a student misses. A parent signature below reflects enrollment and contract to pay CCS for the number of classes registered for. Once the schedule is received, a detailed Financial Statement will be emailed to the parent to reflect charges. Delays or snow days are taken into account with the charge given. If makeup classes are scheduled, homeschool students will be notified as soon as those classes are rescheduled.
