## ABOUT STS CONFERENCE

*Hi friend! You made a great choice in allowing your youth to attend The "Strength to Stand" conference by the Scott Dawson Evangelistic Association. It is my favorite winter student conference due to the quality of the communicators, bands/artists, and the LeConte Center venue.*

*I've been leading groups between 15 to 100 in size to the Pigeon Forge/Gatlinburg area for nearly 30 years. Due to my extensive experience (and love for the area), I am able to maneuver the area safely and efficiently using what we in the South call "back roads." Your youth will be in good hands.*

*As the STS website says: "This year's conference theme, 'At the Altar,' speaks directly to the challenges students face today—a culture that often promotes self-interest, personal success, and instant gratification. In contrast, the altar represents a place of surrender, where we lay down our sins, distractions, and personal ambitions to pursue something greater: God's purpose for our lives."*

*As we travel, we will stop to eat AND see a couple sights. If your youth plan to shop then send extra money with them in addition to the meal money listed in the "Packing List."*

*We will be staying at the Holiday Inn Express & Suites in Pigeon Forge, a property in a great location with modern rooms, interior hallways, and a delicious breakfast. The property is a 5-minute ride from the LeConte Center without the need for getting into traffic on the parkway. All conference sessions are located next to The Island at the very nice LeConte Center. CeCe Winans, Chandler Moore, Hulvey, and STS Worship will be in concert. The excellent lineup of theologically solid preachers includes Scott Dawson, Tim Timberlake, Preston Perry, and Shane Pruitt.*

*Reach out to me with questions about anything. I am here to serve you.  
Bro. Eric*

# Standards & Expectations

## THE “BIG THREE” BEHAVIOR EXPECTATIONS:

- Respect God.
- Respect others.
- Respect property.

## HOTEL EXPECTATIONS

- Live by the “Big Three” listed above.
- Stay out of any hotel room that is not your own.
- Pajamas are NOT acceptable outside your room.
- Do not touch the property of anyone else.
- Stay out of the personal space of others.
- “Lights Out” means turn off the lights and rest. Earbuds and personal electronics are fine, as long as you do not disturb your roommates.
- For your safety, the ice/vending machines & anything else outside your room is off-limits after “Lights Out.”
- Do not give our hotel name/location to anyone you meet on this trip.

## TRAVEL/FREE TIME/CONFERENCE EXPECTATIONS

- Live by the “Big Three.”
- Don’t wander off alone - stay with your assigned group.
- Focus on the music and messages during the conference so you can grow in your faith - that’s the main reason we are here.

## HIGH SCHOOLER/MIDDLE SCHOOLER SUPERVISION

- HS Grades 9-12 must stay in groups of 3 or more - no adult needed (unless requested by a parent)
- MS Grades 7-8 must be with an adult any time you are outside your hotel room (except in public restrooms, of course).

# PACKING LIST & MORE

**LUGGAGE LIMIT: 1 suitcase, 1 small carry-on bag**

## **THINGS TO BRING:**

- Your prescription & over-the-counter meds
- Personal hygiene items (deodorant, soap, shampoo...)
- Personal beauty/grooming items
- \$75 cash for travel meals (Bring EXTRA cash for snacks & merch)
- Comfortable shoes
- Cold weather gear - coat, gloves, beanie, earmuffs, thermals...
- THREE outfits suitable for cold mountain weather

# ADULT ATTENDEE DETAILS & EXPECTATIONS

Remember, this is a church ministry trip, not a vacation. Adults attending are expected come to serve Jesus in whatever capacities Eric needs them. They are also required be PGBC church members with regular attendance habits.

The intent/purpose of this trip is to see young lives know and grow closer to Jesus as they grow closer together in Christian community.

- **COST:** The cost for adults at a 1:4 adult to student ratio is simply money for 5 meals. Conference, lodging, and transportation is covered (a \$200 value) because of your hard work and commitment to ministry on this trip.
- **TRAVEL:** We will use vans/buses. Per church minor safety standards, 2 un-related adults must be in each vehicle in which students ride without exception.
- **TRAVEL SAFETY:** Each adult will be assigned up to 4 students to be responsible for the entire trip. At every stop, adults will give Eric a “thumbs up” when all of their students are on the vehicle, in the hotel meeting room, or in our reserved conference seating.
- **OVERNIGHT SAFETY:** Each adult will ensure her/his assigned students are in their rooms during lights out. Ice machine/vending machine trips are not permitted after lights out. The Holiday Inn Express has interior hallways for easy supervision. Know that you do not have to stay up all night, just until the students are in their rooms.
- **ROOMING SAFETY:** Adults will room with other adults. No adults are permitted in the rooms of students. Students are not permitted in the rooms of adults. Students are only permitted in their own rooms and not other student or adult rooms.
- **TWO-ADULT RULE:** An adult should never be alone in a private space with a student. Two un-related adults must be present.
- **SPIRITUAL DIRECTION:** If a student comes to you for spiritual guidance, please allow the Holy Spirit to utilize you to minister to them. Feel free to bring the student to Eric if you feel the need is beyond what you are comfortable helping them with.
- **DISCIPLINARY DIRECTION:** Know the trip rules (found in the trip packet). If a student breaks a trip rule, report it to Eric immediately. Bring the student with you if possible, and inform the student that I expect you to bring her/him to me to talk about it.
- **FUN:** Adults on youth trips should be internally focused about safety and spiritual growth and externally friendly, caring, present (not doom-scrolling), and ready to have a great time. Youth trips demand that adults love teens, and love being around teens.

**SEE YOURSELF AS A MENTOR, NOT JUST A CHAPERONE.**
