

New Life Fellowship

The Standard

Committed to EVANGELISM

We will win the lost at any cost. We have the responsibility and privilege to share the gospel with those around us and around the world. No amount of money, resources or effort is too much in our attempts to reach those in need of Jesus.

Committed to UNITY

We are a "Kingdom minded" people and know that we have a God-given mission and we will defend our unity and our vision.

Committed to EXCELLENCE

The greatest message in the world deserves the most excellent presentation. We will give our very best, through dedication and innovation to telling the timeless truths of the gospel. Excellence honors God and inspires others.

Committed to WORSHIP

We were created for worship and will honor God through our celebration of who He is and who we are because of Him! We believe worship is not a time slot in our lives but rather a lifestyle!

Committed to PRAYER

Prayer is valued as an essential ministry of our church and vital part of our own spiritual lives. We will pray for our church, its leadership, one another as well as pray for physical, emotional and spiritual needs during our services.

Committed to RELATIONSHIPS

We refuse to live life alone and believe that we are stronger together (fellowship) than on our own! We will love people when they least expect it or deserve it. We will forgive, accept and connect with all people, because every person is invaluable and irreplaceable.

Committed to THE NEXT GENERATION

They are not the church of tomorrow, they are the church of today. We will equip, train and commission the next generation.

Committed to GROWTH

We are called to make disciples (fully devoted followers of Christ) and to seeing everyone become an influencer for the Kingdom of God. We will take giant steps of faith and watch God do immeasurably more than we can ask or imagine, therefore we unapologetically set goals and measure progress through all available means.

Committed to SERVE

We are contributors not consumers. We will volunteer our talents, passion, time and energy to accomplish our mission in both our community and the world. We will influence and impact our friends, neighbors and community through service.

Committed to GENEROSITY

We will go above and beyond to give our resources to the work of God and our mission! We give not because we have to...we give because we get to.

Committed to INTEGRITY

A lack of integrity among church attendees or its leadership reflects on the local church and the Kingdom of God. Matters of morality, finances, and ethics are handled with complete integrity and accountability.

Committed to FAITHFULNESS

We will be faithful with the small things. We are responsible for what God has entrusted to us, knowing that He will give us more. We will not take this for granted.
