

We Praise You

Let praise be a weapon that silences the enemy
Let praise be a weapon that conquers all anxiety
Let it rise let praise arise

We sing Your name in the dark
And it changes ev'rything
We sing with all we are and we claim Your victory
Let it rise let praise arise

We'll see you break down ev'ry wall
We'll watch the giants fall
For fear cannot survive when we praise You
The God of breakthrough's on our side
Forever lift (Him) (You) high
With all creation cry God we praise You

Oh we praise You oh

Let faith be the song
That overcomes the raging sea
Let faith be the song
That calms the storm inside of me
Let it rise let faith arise

Oh we praise You oh we praise You
Oh we praise You oh we praise You

This is what living looks like
This is what freedom feels like
This is what Heaven sounds like
We praise You
We praise You
(REPEAT)

Oh we praise You
Oh we praise You

Where Would I Be

Your hand in every part
Of my whole life from the start

Jesus You have always been with me
No matter where I was
You found a way to show up
Jesus You have always been with me

There's never a season never a place
Where I am alone where You don't show Your face
Right here I remember how could I forget
Your faithfulness has never left me

Where would I be without You
Where would I be without Your love
I'm amazed by all You've done
Oh Jesus where would I be without You
Where would I be without Your love
I can't say thank You enough

All of the ways You save
Pull me out of the grave
Jesus You have always been for me
Oh my life is the proof
That You can make anything good
Jesus You have always been for me

I want to say thank You, thank You
I have to say thank You, thank You
Can't help but say thank You, thank You
For all You have done

Worthy Of It All

All the saints and angels
They bow before Your throne
All the elders cast their crowns
Before the Lamb of God and sing

You are worthy of it all
You are worthy of it all
For from You are all things
And to You are all things
You deserve the glory

All the saints and angels
They bow before Your throne
All the elders cast their crowns
Before the Lamb of God and sing

You are worthy of it all
You are worthy of it all
For from You are all things
And to You are all things
You deserve the glory

You are worthy of it all
You are worthy of it all
For from You are all things
And to You are all things
You deserve the glory

Day and night night and day let incense arise
Day and night night and day let incense arise
Day and night night and day let incense arise
Day and night night and day let incense arise
(Repeat)

You are worthy of it all
You are worthy of it all
For from You are all things
And to You are all things
You deserve the glory
(Repeat)
