

### Graves Into Gardens

I searched the world but it couldn't fill me  
Man's empty praise and treasures that fade  
Are never enough  
Then You came along and put me back together  
And every desire is now satisfied here in Your love

Oh there's nothing better than You  
There's nothing better than You  
Lord there's nothing  
Nothing is better than You

I'm not afraid to show You my weakness  
My failures and flaws  
Lord You've seen them all  
And You still call me friend  
'Cause the God of the mountain  
Is the God of the valley  
There's not a place  
Your mercy and grace won't find me again

You turn mourning to dancing  
You give beauty for ashes  
You turn shame into glory  
You're the only one who can

You turn graves into gardens  
You turn bones into armies  
You turn seas into highways  
You're the only one who can

### No One Like The Lord (We Crown You)

There is One on the throne  
Jesus holy  
He is worthy of praise  
Honor and glory

Worthy is the Lamb  
Who was slain and seated on the throne  
There's no one like the Lord  
Elders creatures bow

Giving praise to Him and Him alone  
There's no one like the Lord

We crown You King of glory  
We crown You King of glory  
We crown You King of glory  
We crown You Lord of all  
We crown You You are worthy  
We crown You You are worthy  
We crown You You are worthy  
We crown You Lord of all

There's no one like the Lord

#### Make Room

Here is where I lay it down  
Every burden every crown  
This is my surrender  
This is my surrender  
Here is where I lay it down  
Every lie and every doubt  
This is my surrender

And I will make room for you  
To do whatever you want to  
To do whatever you want to  
And I will make room for you  
To do whatever you want to  
To do whatever you want to

Shake up the ground of all my tradition  
Break down the walls of all my religion  
Your way is better  
Your way is better

Here is where I lay it down  
You are all I'm chasing now  
This is my surrender

#### We Praise You

Let praise be a weapon that silences the enemy  
Let praise be a weapon that conquers all anxiety

Let it rise let praise arise

We sing Your name in the dark  
And it changes ev'rything  
We sing with all we are and we claim Your victory  
Let it rise let praise arise

We'll see you break down ev'ry wall  
We'll watch the giants fall  
For fear cannot survive when we praise You  
The God of breakthrough's on our side  
Forever lift (Him) (You) high  
With all creation cry God we praise You

Oh we praise You oh

Let faith be the song  
That overcomes the raging sea  
Let faith be the song  
That calms the storm inside of me  
Let it rise let faith arise

Oh we praise You oh we praise You  
Oh we praise You oh we praise You

This is what living looks like  
This is what freedom feels like  
This is what Heaven sounds like  
We praise You  
We praise You  
(REPEAT)

Oh we praise You  
Oh we praise You
