

Promises Never Fail

You are with me what can separate us
You are for me what can stand against us
Your love it won't let go I know it won't

Darkness shadows have no power over me
Fear is empty shame has no authority
Your love it won't let go I know it won't

I know your thoughts Your plans for me are good
I know You hold my future and my hope
Your promises never fail
Your promises never fail

Healing and freedom as You speak favor over me
Faith is breaking all impossibility
Your name has overcome
Your name alone

I know your thoughts Your plans for me are good
I know You hold my future and my hope
Your promises never fail
Your promises never fail
Your promises never fail
Your promises never fail

I am standing on every promise that You make
I will see it come to pass in Your name in Your name
Jesus I will trust every word I hear You say
I will see it come to pass in Your name in Your name
(Repeat 2x)

I know your thoughts Your plans for me are good
I know You hold my future and my hope
Your promises never fail
Your promises never fail
Your promises never fail
Your promises never fail

Battle Belongs

When all I see is the battle

You see my victory
When all I see is a mountain
You see a mountain moved
And as I walk through the shadow
Your love surrounds me
There's nothing to fear now
For I am safe with You

So when I fight I'll fight on my knees
With my hands lifted high
O God the battle belongs to You
And every fear I lay at Your feet
I'll sing through the night
O God the battle belongs to You

And if You are for me
Who can be against me
For Jesus there's nothing
Impossible for You
When all I see are the ashes
You see the beauty
When all I see is a cross
God You see the empty tomb

So when I fight I'll fight on my knees
With my hands lifted high
O God the battle belongs to You
And every fear I lay at Your feet
I'll sing through the night
O God the battle belongs to You

Almighty Fortress You go before us
Nothing can stand against
The power of our God
You shine in the shadows
You win every battle
Nothing can stand against
The power of our God
(Repeat 2x)

So when I fight I'll fight on my knees
With my hands lifted high
O God the battle belongs to You
And every fear I lay at Your feet

I'll sing through the night
O God the battle belongs to You
O God the battle belongs to You

Raise A Hallelujah

I raise a hallelujah in the presence of my enemies
I raise a hallelujah louder than the unbelief
I raise a hallelujah my weapon is a melody
I raise a hallelujah Heaven comes to fight for me

I'm gonna sing in the middle of the storm
Louder and louder you're gonna hear my praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

I raise a hallelujah with everything inside of me
I raise a hallelujah I will watch the darkness flee
I raise a hallelujah in the middle of the mystery
I raise a hallelujah fear you lost your hold on me

I'm gonna sing in the middle of the storm
Louder and louder you're gonna hear my praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

Sing a little louder In the presence of my enemies
Sing a little louder Louder than the unbelief
Sing a little louder My weapon is a melody
Sing a little louder Heaven comes to fight for me
(Repeat)
Sing a little louder

I'm gonna sing in the middle of the storm
Louder and louder you're gonna hear my praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

Surrounded (Fight My Battles)

There's a table that You've prepared for me
In the presence of my enemies

It's Your body and Your blood You shed for me
This is how I fight my battles
(Repeat)

And I believe You've overcome
And I will lift my song of praise
For all You've done

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how
(Repeat)

In the valley I know that You're with me
And surely Your goodness and Your mercy follow me
So my weapons are praise and thanksgiving
This is how I fight my battles

And I believe You've overcome
And I will lift my song of praise
For all You've done

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how
(Repeat)

It may look like I'm surrounded
But I'm surrounded by You
It may look like I'm surrounded
But I'm surrounded by You
(Repeat 3x)

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how
(Repeat)
It may look like I'm surrounded
But I'm surrounded by You
It may look like I'm surrounded
But I'm surrounded by You

(Repeat)

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how

It may look like I'm surrounded
But I'm surrounded by You
It may look like I'm surrounded
But I'm surrounded by You
(Repeat)
