

Jireh

I'll never be more loved than I am right now
Wasn't holding You up
So there's nothing I can do to let You down
It doesn't take a trophy to make You proud
I'll never be more loved than I am right now

Going through a storm but I won't go down
I hear Your voice carried in the rhythm of the wind
To call me out
You would cross an ocean so I wouldn't drown
You've never been closer than You are right now

Jireh You are enough
Jireh You are enough
I will be content in every circumstance
Jireh You are enough

Forever enough
Always enough
More than enough

I don't wanna forget how I feel right now
On the mountaintop
I can see so clear what it's all about
Stay by my side when the sun goes down
Don't wanna forget how I feel right now

Jireh You are enough
Jireh You are enough
I will be content in every circumstance
Jireh You are enough

Forever enough
Always enough
More than enough
(Repeat)

I'm already loved
I'm already chosen
I know who I am
I know what You've spoken
I'm already loved

More than I could imagine
And that is enough
(Repeat 2x)

Jireh You are enough
Jireh You are enough
I will be content in every circumstance
Jireh You are enough
(Repeat)

I will be content in every circumstance
Jireh You are enough

Glorious Day

I was buried beneath my shame
Who could carry that kind of weight
It was my tomb 'til I met You

I was breathing but not alive
All my failures I tried to hide
It was my tomb 'til I met You

You called my name and
I ran out of that grave
Out of the darkness into Your glorious day
You called my name and I ran out of that grave
Out of the darkness into Your glorious day

Now Your mercy has saved my soul
Now Your freedom is all that I know
The old made new Jesus when I met You

You called my name and
I ran out of that grave
Out of the darkness into Your glorious day
You called my name and I ran out of that grave
Out of the darkness into Your glorious day

I needed rescue my sin was heavy
But chains break at the weight of Your glory
I needed shelter I was an orphan
Now You call me a citizen of heaven

When I was broken You were my healing
Now Your love is the air that I'm breathing
I have a future my eyes are open
'Cause when You called my name

I ran out of that grave
Out of the darkness into Your glorious day
You called my name and I ran out of that grave
Out of the darkness into Your glorious day

Great Are You Lord

You give life You are love
You bring light to the darkness
You give hope You restore
Every heart that is broken
And great are You Lord

It's Your breath in our lungs
So we pour out our praise
We pour out our praise
It's Your breath in our lungs
So we pour out our praise to You only

You give life You are love
You bring light to the darkness
You give hope You restore
Every heart that is broken
And great are You Lord

It's Your breath in our lungs
So we pour out our praise

It's Your breath in our lungs
So we pour out our praise to You only
(Repeat)

And all the earth will shout Your praise
Our hearts will cry these bones will sing
Great are You Lord
(Repeat 2x)

It's Your breath in our lungs
So we pour out our praise
We pour out our praise
It's Your breath in our lungs
So we pour out our praise to You only
