

We Praise You

Let praise be a weapon that silences the enemy
Let praise be a weapon that conquers all anxiety
Let it rise let praise arise

We sing Your name in the dark
And it changes ev'rything
We sing with all we are and we claim Your victory
Let it rise let praise arise

We'll see you break down ev'ry wall
We'll watch the giants fall
For fear cannot survive when we praise You
The God of breakthrough's on our side
Forever lift (Him) (You) high
With all creation cry God we praise You

Oh we praise You oh

Let faith be the song
That overcomes the raging sea
Let faith be the song
That calms the storm inside of me
Let it rise let faith arise

Oh we praise You oh we praise You
Oh we praise You oh we praise You

This is what living looks like
This is what freedom feels like
This is what Heaven sounds like
We praise You
We praise You
(REPEAT)

Oh we praise You
Oh we praise You

Rest on Us

As the Spirit was moving over the water
Spirit come move over us
Come rest on us come rest on us

Come down Spirit when You move
You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me

Fire and wind come and do it again
Open up the gates let Heaven on in
Come rest on us come rest on us

Holy Spirit
Come rest on us
You're all we want You're all we want

Look To The Lamb

There's only one Name that is worthy
There's only one King on the throne
He is the light of our salvation
All praise belongs to Him alone

There's only one way to the Father
One love that melts a heart of stone
He is the life and resurrection
All praise belongs to Him alone

Look to the Lamb
See the Son of God the Savior crucified
See the crown of thorns the nails His wounded side
He is worthy
Look to the Lamb
See the One who is forever glorified
There is love and there is fire in His eyes
He is worthy
He is worthy

He is the Alpha and Omega
He was and is and is to come
He will return to shouts of glory
His name is Jesus Christ our God
His name is Jesus Christ our God

The elders bow the creatures cry
Saints and angels glorify
The anthem echoes day and night
Worthy

Eyes like fire hair like wool
Voice like many waters roar
Matchless and most beautiful
Worthy

Worthy is the Lamb
Worthy
Worthy is the Lamb
Worthy

He is worthy
You are worthy (4X)
