

## You've Already Won

There's peace that outlasts darkness  
Hope that's in the blood  
There's future grace that's mine today  
That Jesus Christ has won  
So I can face tomorrow  
For tomorrow's in Your hands  
All I need you will provide  
Just like you always have

I'm fighting a battle  
That you've already won  
No matter what comes my way  
I will overcome  
I don't know what your doing  
But I know what you've done  
I'm fighting a battle that  
You've already won

There's mercy in the waiting  
Manna for today  
And when it's gone I know you're not  
You are my hope and stay  
When the sea is raging  
Your Spirit is my help  
He'll fix my eyes on Jesus Christ  
And I'll say that is well  
Oh I know that it is well

I know how the story ends  
We will be with you again  
You're my Savior my defense  
No more fear in life or death

I know how this story ends

## Your Great Name

Lost are saved  
Find their way  
At the sound

Of Your great name  
All condemned  
Feel no shame  
At the sound  
Of Your great name

Every fear  
Has no place  
At the sound  
Of Your great name  
The enemy  
He has to flee  
At the sound  
Of Your great name

Jesus, worthy is the Lamb  
That was slain for us  
Son of God and man  
You are high and lifted up  
And all the world  
Will praise Your great name

All the weak  
Find their strength  
At the sound  
Of Your great name  
Hungry souls  
Receive grace  
At the sound of Your great name

The fatherless  
They find their rest  
At the sound  
Of Your great name  
The sick are healed  
And the dead are raised  
At the sound of Your great name.

Jesus, worthy is the Lamb  
That was slain for us  
Son of God and man  
You are high and lifted up  
And all the world  
Will praise Your great name

Oh Your great name

Redeemer, my Healer  
Lord Almighty  
My Savior, Defender  
You are my King  
(Repeat)

Jesus  
The Name of Jesus  
You are high and lifted up  
And all the world  
Will praise  
Jesus, worthy is the Lamb  
That was slain for us  
Son of God and man  
You are high and lifted up  
And all the world  
Will praise Your great name  
Your great name  
Your great name

### Gratitude

All my words fall short  
I got nothing new  
How could I express  
All my gratitude

I could sing these songs  
As I often do  
But every song must end  
And You never do

So I throw up my hands  
And praise You again and again  
'Cause all that I have is a hallelujah hallelujah  
And I know it's not much  
But I've nothing else fit for a king  
Except for a heart singing hallelujah  
Hallelujah

I've got one response  
I've got just one move

With my arms stretched wide  
I will worship You

Come on my soul  
Oh don't you get shy on me  
Lift up your song  
'Cause you've got a lion inside of those lungs  
Get up and praise the Lord

### Surrounded (Fight My Battles)

There's a table that You've prepared for me  
In the presence of my enemies  
It's Your body and Your blood You shed for me  
This is how I fight my battles  
(Repeat)

And I believe You've overcome  
And I will lift my song of praise  
For all You've done

This is how I fight my battles  
This is how I fight my battles  
This is how I fight my battles  
This is how  
(Repeat)

In the valley I know that You're with me  
And surely Your goodness and Your mercy follow me  
So my weapons are praise and thanksgiving  
This is how I fight my battles

And I believe You've overcome  
And I will lift my song of praise  
For all You've done

This is how I fight my battles  
This is how I fight my battles  
This is how I fight my battles  
This is how  
(Repeat)

It may look like I'm surrounded

But I'm surrounded by You  
It may look like I'm surrounded  
But I'm surrounded by You  
(Repeat 3x)

This is how I fight my battles  
This is how I fight my battles  
This is how I fight my battles  
This is how  
(Repeat)

It may look like I'm surrounded  
But I'm surrounded by You  
It may look like I'm surrounded  
But I'm surrounded by You  
(Repeat)

This is how I fight my battles  
This is how I fight my battles  
This is how I fight my battles  
This is how

It may look like I'm surrounded  
But I'm surrounded by You  
It may look like I'm surrounded  
But I'm surrounded by You  
(Repeat)
