

You've Already Won

There's peace that outlasts darkness
Hope that's in the blood
There's future grace that's mine today
That Jesus Christ has won
So I can face tomorrow
For tomorrow's in Your hands
All I need you will provide
Just like you always have

I'm fighting a battle
That you've already won
No matter what comes my way
I will overcome
I don't know what your doing
But I know what you've done
I'm fighting a battle that
You've already won

There's mercy in the waiting
Manna for today
And when it's gone I know you're not
You are my hope and stay
When the sea is raging
Your Spirit is my help
He'll fix my eyes on Jesus Christ
And I'll say that is well
Oh I know that it is well

I know how the story ends
We will be with you again
You're my Savior my defense
No more fear in life or death

I know how this story ends

When Wind Meets Fire

Lord let my life be an altar
Light up my lungs with Your praise
'Cause I can't breathe until You breathe
So breathe on me

Let my life be an altar

This is a moment when wind meets fire
Come on in
Our hearts are burning for fresh revival
Blow again

Our God is consuming fire
Our God is a holy wind
Whatever You speak is done
Whatever You touch will live

Whatever You speak is done
Whatever You touch will live

Come on in
Come on in
Whatever You touch will live
Come on in
Come on in

Whatever You touch will live
Whatever You touch will live

Lord let my life be an altar
Light up my lungs with Your praise
'Cause I can't breathe until You breathe
So breathe on me

Oh oh oh
Oh oh oh

You ask can these bones live again
And then I hear Your voice answer with wind

Surrounded (Fight My Battles)

There's a table that You've prepared for me
In the presence of my enemies
It's Your body and Your blood You shed for me
This is how I fight my battles
(Repeat)

And I believe You've overcome
And I will lift my song of praise
For all You've done

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how
(Repeat)

In the valley I know that You're with me
And surely Your goodness and Your mercy follow me
So my weapons are praise and thanksgiving
This is how I fight my battles

And I believe You've overcome
And I will lift my song of praise
For all You've done

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how
(Repeat)

It may look like I'm surrounded
But I'm surrounded by You
It may look like I'm surrounded
But I'm surrounded by You
(Repeat 3x)

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how
(Repeat)

It may look like I'm surrounded
But I'm surrounded by You
It may look like I'm surrounded
But I'm surrounded by You
(Repeat)

This is how I fight my battles

This is how I fight my battles
This is how I fight my battles
This is how

It may look like I'm surrounded
But I'm surrounded by You
It may look like I'm surrounded
But I'm surrounded by You
(Repeat)
