

No Longer Slaves

You unravel me with a melody
You surround me with a song
Of deliverance from my enemies
Till all my fears are gone

I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God

From my mother's womb
You have chosen me
Love has called my name
I've been born again into Your family
Your blood flows through my veins

I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God
(Repeat)

I am surrounded
By the arms of a Father
I am surrounded
With songs of deliverance

We've been liberated
From our bondage
We're the sons and the daughters
Let us sing our freedom
Oh...

You split the sea so I could walk right through it
My fears were drowned in perfect love
You rescued me so I could stand and sing
I am a child of God
(Repeat)

I am a child of God
I am a child of God
(Repeat)

I'm no longer a slave to fear
I am a child of God
I'm no longer a slave to fear
I am a child of God

Yes I Will

I count on one thing
The same God that never fails
Will not fail me now
You won't fail me now
In the waiting
The same God who's never late
Is working all things out
You're working all things out

Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will

I count on one thing
The same God that never fails
Will not fail me now
You won't fail me now
In the waiting
The same God who's never late
Is working all things out
You're working all things out

Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will
For all my days
Yes I will

I choose to praise

To glorify glorify
The name of all names
That nothing can stand against
(Repeat)

Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will
For all my days
Yes I will
For all my days
Yes I will

Surrounded (Fight My Battles)

There's a table that You've prepared for me
In the presence of my enemies
It's Your body and Your blood You shed for me
This is how I fight my battles
(Repeat)

And I believe You've overcome
And I will lift my song of praise
For all You've done

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how
(Repeat)

In the valley I know that You're with me
And surely Your goodness and Your mercy follow me
So my weapons are praise and thanksgiving
This is how I fight my battles

And I believe You've overcome
And I will lift my song of praise
For all You've done

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how
(Repeat)

It may look like I'm surrounded
But I'm surrounded by You
It may look like I'm surrounded
But I'm surrounded by You
(Repeat 3x)

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how
(Repeat)

It may look like I'm surrounded
But I'm surrounded by You
It may look like I'm surrounded
But I'm surrounded by You
(Repeat)

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how

It may look like I'm surrounded
But I'm surrounded by You
It may look like I'm surrounded
But I'm surrounded by You
(Repeat)

O Praise The Name

I cast my mind to Calvary
Where Jesus bled and died for me
I see His wounds His hands His feet
My Savior on that cursed tree

His body bound and drenched in tears

They laid Him down in Joseph's tomb
The entrance sealed by heavy stone
Messiah still and all alone

O praise the Name of the Lord our God
O praise His Name forevermore
For endless days we will sing Your praise
Oh Lord oh Lord our God

Then on the third at break of dawn
The Son of heaven rose again
O trampled death where is your sting
The angels roar for Christ the King

O praise the Name of the Lord our God
O praise His Name forevermore
For endless days we will sing Your praise
Oh Lord oh Lord our God

He shall return in robes of white
The blazing sun shall pierce the night
And I will rise among the saints
My gaze transfixed on Jesus' face

O praise the Name of the Lord our God
O praise His Name forevermore
For endless days we will sing Your praise
Oh Lord oh Lord our God
(Repeat)
Oh Lord oh Lord our God
