

## I've Witnessed It

When I was lost and all alone  
Your presence was where I found home  
You were there and You're here right now

In every high and every low  
You never left me without hope  
You were good and You're good right now

I've witnessed Your faithfulness  
I've seen You breathe life within  
So I'll pour out my praise again  
You're worthy God You're worthy of all of it

Your promises never fail  
I've got stories I'll live to tell  
So I'll pour out my praise again  
You're worthy God You're worthy of all of it

You left the throne and chose the cross  
Laid down Your life to rescue us  
The Savior then the Savior now

But even death was not the end  
You conquered hell so I could live  
Resurrecting then resurrecting now  
Resurrecting then resurrecting now

You're good and I've witnessed it  
You're strong and I've witnessed it  
You're constant I've witnessed it  
And I'm confident I'll see it again and again

You love and I've witnessed it  
You heal and I've witnessed it  
You save and I've witnessed it  
And I'm confident I'll see it again and again

To the broken I've witnessed it  
To the hurting I've witnessed it  
To the lost I will witness it  
And I'll tell them this  
I'll tell them what I've witnessed

To my family I've witnessed it  
To my city I've witnessed it  
To the nations I've witnessed it  
And I'll tell them this  
I'll tell them what I've witnessed

Yes I Will

I count on one thing  
The same God that never fails  
Will not fail me now  
You won't fail me now  
In the waiting  
The same God who's never late  
Is working all things out  
You're working all things out

Yes I will lift You high  
In the lowest valley  
Yes I will bless Your name  
Yes I will sing for joy  
When my heart is heavy  
All my days yes I will

I count on one thing  
The same God that never fails  
Will not fail me now  
You won't fail me now  
In the waiting  
The same God who's never late  
Is working all things out  
You're working all things out

Yes I will lift You high  
In the lowest valley  
Yes I will bless Your name  
Yes I will sing for joy  
When my heart is heavy  
All my days yes I will  
For all my days  
Yes I will

I choose to praise  
To glorify glorify

The name of all names  
That nothing can stand against  
(Repeat)

Yes I will lift You high  
In the lowest valley  
Yes I will bless Your name  
Yes I will sing for joy  
When my heart is heavy  
All my days yes I will

Yes I will  
For all my days

Peace bring it all to peace  
The storms surrounding me

The rage in me to still  
Every wave at Your name
