

Yes I Will

I count on one thing
The same God that never fails
Will not fail me now
You won't fail me now
In the waiting
The same God who's never late
Is working all things out
You're working all things out

Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will

I count on one thing
The same God that never fails
Will not fail me now
You won't fail me now
In the waiting
The same God who's never late
Is working all things out
You're working all things out

Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will
For all my days
Yes I will

I choose to praise
To glorify glorify
The name of all names
That nothing can stand against
(Repeat)

Yes I will lift You high
In the lowest valley

Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will
For all my days
Yes I will
For all my days
Yes I will

Rest on Us

As the Spirit was moving over the water
Spirit come move over us
Come rest on us come rest on us

Come down Spirit when You move
You make my heart pound
When You fill the room
You're here and I know You are moving
I'm here and I know You will fill me

Fire and wind come and do it again
Open up the gates let Heaven on in
Come rest on us come rest on us

Holy Spirit
Come rest on us
You're all we want You're all we want

Set A Fire

No place I would rather be
No place I would rather be
No place I would rather be
Than here in Your love
Here in Your love

Set a fire down in my soul
That I can't contain and I can't control
I want more of You God
I want more of You God

All Hail King Jesus

There was a moment when the lights went out
When death had claimed its victory
The King of Love had given up His life
The darkest day in history

There on a cross they made for sinners
For every curse His blood atoned
One final breath and it was finished
But not the end we could have known

For the earth began to shake
And the veil was torn
What sacrifice was made
As the heavens roared

All hail King Jesus
All hail the Lord of Heaven and earth
All hail King Jesus
All hail the Savior of the world

There was a moment when the sky lit up
A flash of light breaking through
When all was lost He crossed eternity
The King of life was on the move

For in a dark cold tomb
Where our Lord was laid
One miraculous breath
And we're forever changed

All hail King Jesus
All hail the Lord of Heaven and earth
All hail King Jesus
All hail the Savior of the world
(Repeat)

Let every knee come bow before the King of Kings
Let every tongue confess that He is Lord
Lift up your shout let us join with all of Heaven
Singing Holy
Singing Holy
Cry out Holy
Singing Holy

All hail King Jesus
All hail the Lord of Heaven and earth
All hail King Jesus
All hail the Savior of the world
