

Throne Room Song

Jesus is in this room
Here right now here right now
Making this place I stand holy ground holy ground

Your Spirit moves and breathes all around all around
All good and perfect things
Flowing down flowing down

If all of the heavens are singing along
With the saints and the elders in glorious song
And the praises they sing never seem to get old
Then I'll stay here forever singing

Holy holy holy Lord
God Almighty over all
You were You are and You'll be forever
The King enthroned in glorious splendor
Holy holy Lord

Gentle love calling me closer still closer still
Jesus You're guiding me to Your will to Your will

If all of the heavens are singing along
With the saints and the elders in glorious song
And the praises they sing never seem to get old
Then I'll stay here forever singing

Holy holy holy Lord
God Almighty over all
You were You are and You'll be forever
The King enthroned in glorious splendor
Holy holy Lord

The veil is torn and the doors fling wide
I see glory as I run inside Your throne room
Before You I bow
(Repeat 2x)

Holy holy holy Lord
God Almighty over all
You were You are and You'll be forever
The King enthroned in glorious splendor

You were You are and You'll be forever
The King enthroned in glorious splendor
Holy Holy Lord

Jesus is in this room
Making this place I stand holy ground holy ground

Holy Spirit

There's nothing worth more
That will ever come close
No thing can compare
You're our living hope
Your presence Lord

I've tasted and seen
Of the sweetest of loves
Where my heart becomes free
And my shame is undone
In Your presence Lord

Holy Spirit You are welcome here
Come flood this place and fill the atmosphere
Your glory God is what our hearts long for
To be overcome by Your presence Lord

There's nothing worth more
That will ever come close
No thing can compare
You're our living hope
Your presence Lord

I've tasted and seen
Of the sweetest of loves
Where my heart becomes free
And my shame is undone
In Your presence Lord

Holy Spirit You are welcome here
Come flood this place and fill the atmosphere
Your glory God is what our hearts long for
To be overcome by Your presence Lord
(Repeat)

Let us become more aware of Your Presence
Let us experience the glory of Your goodness
(Repeat 2x)

Holy Spirit You are welcome here
Come flood this place and fill the atmosphere
Your glory God is what our hearts long for
To be overcome by Your presence Lord
(Repeat)

Surrounded (Fight My Battles)

There's a table that You've prepared for me
In the presence of my enemies
It's Your body and Your blood You shed for me
This is how I fight my battles
(Repeat)

And I believe You've overcome
And I will lift my song of praise
For all You've done

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how
(Repeat)

In the valley I know that You're with me
And surely Your goodness and Your mercy follow me
So my weapons are praise and thanksgiving
This is how I fight my battles

And I believe You've overcome
And I will lift my song of praise
For all You've done

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how

(Repeat)

It may look like I'm surrounded
But I'm surrounded by You
It may look like I'm surrounded
But I'm surrounded by You
(Repeat 3x)

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how
(Repeat)

It may look like I'm surrounded
But I'm surrounded by You
It may look like I'm surrounded
But I'm surrounded by You
(Repeat)

This is how I fight my battles
This is how I fight my battles
This is how I fight my battles
This is how

It may look like I'm surrounded
But I'm surrounded by You
It may look like I'm surrounded
But I'm surrounded by You
(Repeat)
