

Yes I Will

I count on one thing
The same God that never fails
Will not fail me now
You won't fail me now
In the waiting
The same God who's never late
Is working all things out
You're working all things out

Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will

I count on one thing
The same God that never fails
Will not fail me now
You won't fail me now
In the waiting
The same God who's never late
Is working all things out
You're working all things out

Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will
For all my days
Yes I will

I choose to praise
To glorify glorify
The name of all names
That nothing can stand against
(Repeat)

Yes I will lift You high
In the lowest valley

Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will
For all my days
Yes I will
For all my days
Yes I will

King Of Glory

Yes, the world
Will bow down and say You are God
Every man
Will bow down and say You are King
So let's start right now
Why would we wait

King of Glory, fill this place
I just wanna be with You
I just wanna be with You
King of Glory, fill this place
I just wanna be with You
I just wanna be with You

Yes, the world
Will bow down and say You are God
Every man
Will bow down and say You are King
So let's start right now
Why should we wait
We can praise you now
In victory

King of Glory, fill this place
I just wanna be with You
I just wanna be with You
King of Glory, fill this place
I just wanna be with You
I just wanna be with You

So I'll sing Hallelujah
Until You come again

And I'll dance in Your presence
Until You come again

I will sing Hallelujah
Until You come again
And I'll dance in Your presence
Until You come again

Sing Hallelujah
Until You come again
And I'll dance in Your presence
Until You come again

Sing Hallelujah
Until You come again
And I'll dance in Your presence
Dance in Your presence
Dance in Your presence
Dance in Your presence

King of Glory, fill this place
I just wanna be with You
I just wanna be with You
King of Glory, fill this place
I just wanna be with You
I just wanna be with You
(Repeat)

Worthy Of It All

All the saints and angels
They bow before Your throne
All the elders cast their crowns
Before the Lamb of God and sing

You are worthy of it all
You are worthy of it all
For from You are all things
And to You are all things
You deserve the glory

All the saints and angels
They bow before Your throne
All the elders cast their crowns

Before the Lamb of God and sing

You are worthy of it all
You are worthy of it all
For from You are all things
And to You are all things
You deserve the glory

You are worthy of it all
You are worthy of it all
For from You are all things
And to You are all things
You deserve the glory

Day and night night and day let incense arise
Day and night night and day let incense arise
Day and night night and day let incense arise
Day and night night and day let incense arise
(Repeat)

You are worthy of it all
You are worthy of it all
For from You are all things
And to You are all things
You deserve the glory
(Repeat)
